Revised 06/2014

Total Semester Hours = 120

UNOFFICIAL

DEPARTMENTAL NOTES: GEOLOGICAL SCIENCES

1. Minimum competence (grade of C- or better) is required in Gsci 160,161,170, 210, 220, 331, 341, 351, 361, 391 and 392.

2. A six-hour course in geological field work taken at an accredited institution is recommended for the summer prior to the senior year.

3. Students must complete eight hours in Biology, or with departmental approval, 6-8 semester hours in another Natural Science or in additional Mathematics.

4. Students with 3 ½ years of high school mathematics may exempt Math 112 and begin with Math 221. Math 242 or Math 262, or Socl 211 or Psyc 250 may be substituted for Math 222.

5. Majors seeking certification in Education must enroll in the approved Education program. Information sheets are available from the School of Education. Geog 370 – Climatology; and Astr. 100 & 101 – Introductory Astronomy and lab are strongly recommended for students electing the certification option.

6. A maximum of 51 semester hours in Geological Sciences may be included within the required 120. At least 45 hours must be completed outside the Natural Sciences and Mathematics (Astronomy, Biology, Chemistry, Geological Sciences, Mathematics, Physics). Up to 12 hours in Computer Science may be included within this 45 hours.

7. Majors must fulfill the department writing requirement – see College Bulletin.

Curriculum Guide Sheets are updated after publication of the College Undergraduate Bulletin to reflect mid-publication curricular changes. If you notice any inexplicable variation, please contact the Office of the Dean of the College immediately (Erwin 106, Ext. 5541).
