# VICE PRESIDENT FOR COLLEGE ADVANCEMENT

The State University of New York at Geneseo, a nationally recognized, highly selective public liberal arts college located in the scenic Finger Lakes region near Rochester, is launching a national search for a Vice President for College Advancement. The search begins as *Shaping Lives of Purpose: The Campaign for Geneseo* is celebrating a successful year-long public launch and creatively building on recent investments in the advancement infrastructure. Reporting to President Christopher C. Dahl and serving as a member of his cabinet, the chief advancement officer will lead a comprehensive advancement program with 29 staff; as Vice President, s/he also serves as Executive Director of the Geneseo Foundation. With a campaign well positioned to reach its goal, an actively committed Foundation Board, a successful initiative to increase alumni engagement across the country, and an award-winning communications program, Geneseo offers a wealth of assets to maintain momentum for future growth.

Geneseo has had remarkable success integrating its rigorous academic program with student life experiences to create a vibrant learning-centered environment, at a value sought after in today's higher education marketplace. Serving 5,350 undergraduate students, the College offers 48 undergraduate degree programs as well as six Master's programs and 25 interdisciplinary minors. With a student to faculty ratio of 19:1, Geneseo attracts students with outstanding high school records. The College's graduation rate is 81 percent and among the highest nationally for public institutions. Geneseo campus life is distinguished by a wealth of opportunities for research, global study, internships and service learning. The College provides a transformational experience for its students who come to build a life of purpose and accomplishment.

Geneseo seeks a seasoned advancement leader with a tangible record of major gift fundraising and tested campaign leadership experience. The successful candidate will have significant executive leadership experience in complex settings, marked by the capacity to build strong partnerships and trusted relationships across all College constituencies and with diverse internal and external communities.
