Student ID Number: G _____

Students must meet the following requirements to be eligible to rush and pledge (accept a bid/invitation to join) a sorority/fraternity:

1. Must be a full-time matriculated student with at least 12 credit hours completed.
2. Must have a cumulative GPA of at least a **2.00**.
3. To pledge (including honorary and social status), **must be a second-semester freshman or transfer**. [First-semester transfer students with at least 12 transferable credit hours may apply to the Dean of Students for a waiver.]

I hereby state that I have read, and agree to abide by, the above requirements and authorize the Coordinator of Greek Affairs to verify my eligibility with the College. Should I accept an invitation (bid) to pledge an organization this waiver authorizes the Coordinator of Greek Affairs to access my grades each semester that I am a member of the organization for the purpose of tabulating the organization's grade point average. I understand that individual academic information is kept confidential. Eligibility lists provided to the Inter-Sorority and Inter-Fraternity Councils will contain only student names and their eligibility status and posted grade reports will contain only organization averages.
