How to fill out and mail an Absentee Ballot at the Ticket Office

Step #1

First mark your ballot, then fold it and place it in the envelope labeled "Ballot envelope" (bolded in the bottom left hand corner), and then seal this envelope.

Step #2

Once sealed, sign and date the statement on the reverse side of the envelope labeled "Ballot envelope." Your signature will be compared to the signature on file with the board of elections to verify your identity.

Step #3

Place the envelope labeled "Ballot envelope" in the return envelope labeled "Return envelope" (bolded in the bottom left hand corner).

Step #4

- Bring all ballot materials to the SA ticket office - ballot(s), security envelope(s), and return envelope

Your student ID will be checked against the name on the inner "Ballot envelope" by ticket office personnel. Then, seal the "Return envelope" with the "Ballot envelope" enclosed. Ticket office personnel will put a pre-paid stamp on it for you to mail (or for the ticket office to mail on your behalf!).
