SUNY Geneseo Noyce Teaching Scholarship Application
Confidential Recommendation Form

Complete and send this reference form to an individual who can write a letter of recommendation that addresses the qualities you possess that would make you a good STEM teacher in a high-needs school district.

Applicant's Name: _____

Recommender's Name: _____

Organization/Department: _____

Phone:_____ Email:_____

Applicant's signature – in compliance with the Family Education Rights Protection Act (FERPA) I waive my right to view this recommendation.

Applicant's signature: _____

Date: _____

To the Recommender:

This applicant has applied for a Robert Noyce Teaching Scholarship at SUNY Geneseo. The Selection Committee sincerely appreciates your investment of time on this student's behalf. Please read this short form and attach a letter of recommendation. The Robert Noyce Teacher Scholarship Program at SUNY Geneseo rewards talented science and mathematics majors who want to share their knowledge, skills, and enthusiasm in high-needs school districts as STEM teachers. We are particularly interested in specific evidence of this student's potential as a teacher. Cited examples of teacher-like interactions with other students, conversations with you, behaviors you have witnessed, work ethic, and the like would be especially useful.

Please attach your recommendation to this form and submit to the address below by February 14, 2020.
