B. S. Biology 3/4 Dental Program

First Year (Geneseo)

Biol 117/116	5	Biol 119	3
N/Chem 116	3	Chem 118/119	5
R/Math 221	4	Math 222 or 228	4
Intd 105 or *Foreign Lang. 201	3	Intd 105 or *Foreign Lang. 201	3
	15		15

Second year (Geneseo)

Biol 222 or Biol 203	3	Biol 203 or Biol 222	3
Chem 211/216	5	Chem 213	3
N/Phys 113/114	4	Phys 115/116	4
Engl 100, 101 or a 200 level elective	4	S/U/social science & U.S. history general education class	3
		ELECTIVE	3
	16		16

Third Year (Geneseo)

**Biol 300 or Biol elective with lab	3-4	**Biol 300 or Biol elective with lab	3-4
H/Humn 220	4	H/Humn 221	4
F/fine arts general education class	3	**Biol 250, Psyc 250, Math 262, Math 361, GEOG 286; INTD 121, 122**	3
S/M/social science & multicultural general ed.	3	F/fine arts general education class	3
***ELECTIVE	3		
	16-17		13-15

4th Year (UB Dental)

Transfer	15	Transfer	15

*Students must show competency in a foreign language through the 201 level or 4 years of the same language at the high school level; this could mean taking three courses (101, 102, 201)

If a student did not get credit for 101 and/or 102 then one or two of the third year electives would be gone. If a student DID have credit through 201 then they could take an elective or a general education class one of the semesters of their first year

**The Biology major requires one elective course with a lab, UB recommends (but does not require) taking 230. Bio 230 is offered in the spring, thus if choosing to take 230, Bio 300 should be taken fall of the third year.

***This elective might be needed to complete the Gen Ed requirement in US History or multicultural if an S/U is not taken or a S/M or F/M.

Students in the 3/4 program **may not use AP credits for Biol 117, 119.**
