Students must meet the following requirements to be eligible to pledge/intake/orientate (accept a bid/invitation to join) a sorority/fraternity, including honorary and social status:

1. Must be a full-time matriculated student with **at least 15 credit hours** completed. If a student has entered Geneseo with more than 15 credits, they must have at least one full semester in residence at Geneseo.
2. Must have a cumulative GPA of at least a **2.00**.
3. Must be a **second-semester freshman or transfer**. [Students over the age of 21 and first-semester transfer students with at least 15 transferable credit hours and at least a 3.5 GPA may appeal these guidelines to the Dean of Students.]

I hereby state that I have read, and agree to abide by, the above requirements and authorize the Coordinator of Greek Affairs to verify my eligibility to affiliate with the College. Should I chose to affiliate (pledge, honorary, and social status) with a Greek organization this waiver authorizes the Coordinator of Greek Affairs to access my grades each semester that I am a member of the organization for the purpose of tabulating the organization's grade point average. I understand that individual academic information is kept confidential. Eligibility lists provided to the Inter-Sorority, Panhellenic, Multicultural, and Inter-Fraternity Councils will contain only student names and their eligibility status and posted grade reports will contain only organization averages.
