1. University Drive from Court Street to Wadsworth Street.

- C. No person shall drive a vehicle on University streets, roads or highways at an unsafe speed for the conditions. The campus speed limit is 15 miles per hour.

## **SECTION 9 – WINTER STORMS AND TEMPORARY LOT CLOSINGS**

To remove/plow substantial snowfalls from parking lots, it is necessary that all cars parked in the lots be temporarily relocated. During these storms, the lot closures occur on a cyclical basis, allowing vehicles to be temporarily relocated to a plowed lot while the SUNY Geneseo Grounds Department removes the snow from each subsequent lot.

While attempts are made to communicate the dates/times of the lot closure through emails, voice mails, and postings, the immediate need to plow often limits the time allotted to distribute the notices to less than 24 hours.

To minimize occurrences of “plowed in” vehicles or the need to have vehicles towed, the Grounds Department asks all student vehicle owners to please check email and voice mail on a frequent basis during periods of heavy snowfall and temporarily relocate their vehicles as directed by the notices.

Unfortunately, when vehicles remain in parking lots during the temporary closures, completing the snow removal process may require the vehicles to be towed. Owners of towed vehicles will be subject to fines and be required to pay towing and possibly storing charges.

The University Police Department and Grounds Department thank you for your cooperation during these times and wish you a safe winter driving season.

## **SECTION 10 - AUTHORIZATION**

Section 360 of the Education Law authorizes the State University of New York campuses to adopt, make applicable and enforce such provisions of the Vehicle and Traffic Law, adopted under the authority of that law, as control to regulate parking, vehicular and pedestrian traffic. Further, it authorizes the State University to adopt and enforce such additional rules and regulations for control of parking, vehicular and pedestrian traffic, as local authorities are permitted to adopt and enforce pursuant to the Vehicle and Traffic Law. There is also authorization for the State University to

adopt and enforce campus rules and regulations, not inconsistent with the Vehicle and Traffic Law relating to parking, safety and vehicular and pedestrian traffic. Such rules and regulations may include provisions for the disposition of abandoned vehicles, removal by towing and otherwise impounding of vehicles, parked in violation of such rules, at the expense of the owner and the assessment of administrative fines upon the owner or operator of such vehicles for each violation of the regulations.

## **SECTION 11 - APPROVAL**

These rules and regulations become effective and shall be enforced upon approval as required by law and publication. A copy of these regulations will be provided to each registrant and filed with appropriate civil offices.
