For students who

- 2) Need transportation to and from off-campus health services**

If you are transported to an area hospital and need return transportation to campus, you are eligible to use Century Cab Company in Rochester without paying for the service out-of-pocket at the time of the transport. This is also available if you are in need of taxi service for a ride to and from an off-campus health service provider.

The College has entered into this agreement so that you can show your College ID and sign for the service when you have been transported and your student account will be billed the following day for the service.

The telephone number for Century Cab Company is: 585-235-7777.
