

How to figure out the number of hours per week you need to be at your internship site:

Number of Credits	Minimum hours of work required for semester
3	113
4	150
5	188
6	225
7	262
8	300
9	338
12	450
15	563

Figure 14 weeks per semester (from first day of class to study day, omitting 1 week for Thanksgiving or Spring Break).

**If you start your internship later than the first week of classes, you will have to adjust your hours accordingly.
