- > Final: for example, for a 3-credit course, a 3-hour final exam may be scheduled by combining the last two or three lectures of the session as appropriate.
- > On line course must cover the same content per week as the on-campus offering.
- > Minutes for Labs/Studio/Rec sections will be calculated based on bulletin designation.
- > Lectures in excess of 160 minutes (grayed cells in table) are not recommended.
