Restrictions in Fine Arts, Social Science, and Natural Science

The following restrictions apply only to the Fine Arts, Social Science, and Natural Science areas of the General Education curriculum:

- 1. Students may not apply courses taken in their major departments toward these areas of the General Education curriculum. Double majors are prohibited only from applying courses in their first major of record.*
- 2 In each of these areas, students must apply two courses with different departmental prefixes (For example: SOCL and ANTH for Social Science.) Transfer students who, upon original matriculation at the College, have completed an associate's degree or have 53 or more semester hours accepted as transfer credit are exempt from this limitation if they have previously completed successfully two core-eligible courses with the same departmental prefix. In addition, students who apply three semesters of ensemble or practicum toward the Fine Arts requirement may complete the requirement using a theory or history course with the same departmental prefix. (For example: MUSC 123 and three semesters of MUSC 165.)*
- 3. Students may not apply a particular course to more than one of these areas.*
- 4. Students may not apply more than two courses with the same departmental prefix toward the three areas collectively.*

OTHER GRADUATION REQUIREMENTS:

- A. One course emphasizing non-Western cultures (marked with the prefix M/Multicultural). The requirement may be fulfilled by a course marked M/ and **may overlap*** with major or general education courses. An approved college-credit bearing study abroad experience in a non-western country may satisfy this requirement.
- B. One course in numeric/symbolic reasoning (marked with the prefix R/Reasoning). The requirement may be fulfilled by a course marked R/ and **may overlap*** with major or general education courses.
- C. Foreign language competency through the 201 level. This requirement may be satisfied by: 1) Successful completion of four complete years of high school level foreign language (i.e., completion of a high school language sequence through Level IV; 2) A score of 4 or 5 on the Advanced Placement Examination in a foreign language; 3) Placement beyond the first intermediate level on Geneseo's language placement examination. This exam is offered at orientation, at designated times during the semester (see the department's web site for dates), or online (this option may require a preapproved proctor and a fee may be assessed by the testing agency); or 4) Completion of college-level work in a foreign language (at Geneseo or another institution through the first intermediate level. For students seeking certification in education, the language requirement may be met by three semesters of American Sign Language.
- D. One semester of US History. Course options to fill this requirement depend on the student's general education on the high school Regents examination in US History. Students scoring 85 or above on that test may choose from a menu of courses. Students scoring below 85 must take a narrative course; Hist 150 or 151 will satisfy the narrative requirement.

***Note this important difference from general education requirements area course requirements.**
