A Taste of College

- 11:15 am. **Sample Class: What is Abnormal?** Dr. Jennifer Katz, Associate Professor, Psychology. Location: Sturges 108 Mental health professionals assess, study, and treat abnormal behaviors in others. Which behaviors are classified by mental health professionals as abnormal? Which are not? This brief lecture will discuss criteria used for classifying abnormality, highlighting how sociocultural values affect these classifications.
- 1:15 pm. **GOLD Leadership Workshop**. Location: GOLD Center, MacVittie College Union 114.

The GOLD (Geneseo Opportunities for Leadership Development) Program offers workshops to students throughout the year to promote leadership, research, and organizational skills. Presentations may also include team-building, stress relief and time management. The sample workshops will give students a taste of what they may select from in the fall.

Other things to do while you are on campus:

- **ID Card.** Get your Geneseo photo ID card in Blake A 108. You will need it for such things as getting into your residence hall, paying for meals, and borrowing materials from the library.
- **Information Fair.** Stop into the Information Fair between 11:30 am-1:30 pm. A wide variety of offices, organizations and services from on and off campus will have tables where you can go to get information or ask questions. A sampling of categories includes transportation, student employment, disability services, computing, health, banks, phones and student organizations.
- **Mailroom.** While you are in the College Union, look for the mailroom on the first floor. You will be assigned a mailbox in this room later and all of your physical mail (from off-campus or from the college) will be delivered there. You'll want to be sure to know where it is.
- **Parking Permits.** If you intend to have a car on campus in the fall as a resident or a commuter, you will need a parking permit. These can be purchased **after July 1** in the Parking and Transportation Office located in the University Police Department, located in Schrader 19, between 8:00am and 4:00pm or via https://www.geneseo.edu/pts.

NOTE: Starbucks will be open from 8:00am-2:00pm on day 1 and 8:00am-4:00pm on day 2.

We hope you enjoy your time here at orientation. Please give us your feedback! http://go.geneseo.edu/fvevaluation
