Updates:

JCC: We are hoping to do a sumo wrestling event with ACE funds.

GCCC: We're learning how to play Mahjong in our general meeting this week.

KASA: Last Friday we had the KASA Poker night. 107 people showed up. We spoke to Nancy, she told Enoch that budget for Korean night is totally messed up. The treasurer put in \$1800 but was late, so now we only have \$93 in our account.

LSA: We're having our third Celebrate You at the Knight Spot. We also have our regular general meeting this week.

WAC: We had the Women's Day sale this week with the Slavic Club. We only had 6 flowers left, and sold 96 flowers. We are moving the Seneca Falls trip to April 30th.

BSU: There is no meeting today; the next meeting has an “Oprah” event. One of the BSU members will be Oprah!

Pride: On Saturday, March 26th from 10pm-2pm will be Drag ball. We’re going to have performers come in from the Club Tilt. We’re not charging money for this event.

SEAA: No new updates. Dr. Moshe will come to speak on Monday, April 4th. There will be a general meeting on the 5th to encourage more members to come. They are going to show a movie on April 7th, Thursday.

Slavic: No new updates

Shakti: Henna fundraiser after spring break.

Claire: SEAA’s speaker will actually come in on April 4th not 5th.

Fatima: Thank everyone for going to MLK event and the community sing.

Will: Went to the intercultural dance workshop, and learned how to ribbon dance. I was supposed to go to press conference tomorrow about the SUNY budget but it was canceled. Any time you spend ACE money, make sure to go to Office to purchase order forms and tax exemptions. Look at the budget and everything, if proposals pass, we have \$4000 left to spend this year!

Reading 21: Disability Awareness 2nd of 2 readings:

Requesting \$610: Speaker will be coming in and talking about disability in general. He will focus specifically on the academic and architectural. On the 7th we’re going to show the movie the Black Balloon, a coming of age story about a boy and his autistic brother. We want \$10 to promote the event through posters

Reading 22: The Hip-Hop Symposium Speaker 2nd of 2 readings:

BSU: We decided to change the date to April 13 or April 14th to not interfere with SEAA’s events. Joan Morgan, a journalist who worked with vibe magazine is a feminist and will talk about the portrayal of women in the hip hop culture. Get her to come here is \$2000. She will also talk about the portrayal of the conflicting love shown in hip hop culture. Fatima is paying for half of it with \$2200 in total cost for ACE.

Reading 23: ACE By-laws

We’re changing the last part of the proper use of the budget. We are taking out of having to use a contract for a presentation if it is not needed. Change text to support events and programs of presentational nature. Also changing the number of groups required to collaborate non-presentational performance programs to 3 groups

rather than 2/3 of the groups. If you are bringing a performer to campus, you will still need a contract.

Dance program: March 5th @ 5:00pm-8pm

Slavic: Went terrible. Lots of miscommunication, the amount of people that came was not a lot.

Women's Day:

Slavic and WAC: Went really well! Sold almost 100 dollars in a single day! Next time have a WOMENS WEEK. Have flowers sold in the beginning of the week, feminist coming out day did not go as well but next time will be more organized.

Field Day:

We are talking to CAS to see if we can do a field day on the 29th of April. There is a Presidents dinner the day before Springfest and the day after they will have the Athletics dinner. We may have to do field day on May 2nd and Spring Fest activities will be taking place at the same time.

Adjournment: 3:03 pm
