

Civic Engagement Project Guidelines

These guidelines apply to SUNY Geneseo students engaging in civic engagement and volunteer activities who are working on programs or projects not sponsored by existing SUNY Geneseo recognized student organizations. All civic engagement student projects must advance the College Mission and comply with the Student Code of Conduct. Students will have the opportunity to register their projects to be sponsored by GOLD and the Center for Community, MacVittie college Union room 353. Students will be required to fill out the Civic Engagement Student Project Registration forms and submit them to the Center for Community for approval. Student project leaders for registered civic engagement projects will be required to fill out a monthly report to be submitted the first day of each month to the Center for Community.

Registered projects will be entitled to use college facilities and services including fundraising privileges, scheduling college meeting space, publicity on the GOLD and Volunteer Center websites, and opportunities to advertise and promote the project on campus.

Fundraising events must be approved in advance by the Center for Community and the Department of College Union and Activities. Registered projects may also apply for a holding account to deposit funds with Livingston CARES free of charge (See Livingston Cares Policy Guidelines for Project Holding Accounts).

Project leaders may submit description of the project for posting on the GOLD and Volunteer Center websites.
