

Physics 101: The Science of Sound

Permission to switch labs for one week

Step one: Obtain permission from the course professor (not lab instructor)

I give permission for _____ to switch from the lab meeting at
_____ to the lab meeting at _____ during the week of
_____.

Signed: _____, course professor

Step two: Attend lab and get grade from new lab instructor. This may require giving this sheet to the lab instructor, who will return it to you when grading is complete.

I assign a grade of _____ out of _____ points to the above student for lab number
_____.

Signed: _____, lab instructor

Step three: Give this sheet to your regular lab instructor.
