<b>Grading Summary</b>		
<b>Section</b>	<b>Possible</b>	<b>Score</b>
<p align="center"><b><i>Physics and Analyses</i></b></p> <input type="checkbox"/> Do you understand the physics? <i>I am always embarrassed for students who parrot something they read on Wikipedia and obviously didn't understand a word of it. That's a great way to lose 35 percent!</i>	<b>35</b>	
<input type="checkbox"/> Did you use symbols, names, and units correctly? <input type="checkbox"/> Do you blame or credit the lab manual for doing your thinking for you? <input type="checkbox"/> Do you understand the difference between a plot and a <i>linest</i> result? <input type="checkbox"/> Do you understand the difference between random and systematic errors?		
<p align="center"><b><i>Content</i></b></p> <input type="checkbox"/> Did you talk about only the most important aspects of the work? <input type="checkbox"/> Did you include a historical context for this experiment? <input type="checkbox"/> Did you include <i>all</i> of the important parts? <input type="checkbox"/> Did you state what was measured and how it was measured? <input type="checkbox"/> Did you have the necessary diagrams, results, and uncertainties? <input type="checkbox"/> Was the presentation logically ordered? <input type="checkbox"/> Do you have a conclusion?	<b>25</b>	
<p align="center"><b><i>Visual Support</i></b></p> <input type="checkbox"/> Were your slides helpful (as opposed to extraneous)? <input type="checkbox"/> Did the slides <i>show</i> things instead of telling them? <input type="checkbox"/> Did you include the necessary plots? <input type="checkbox"/> Do your plots show what you think they do? <input type="checkbox"/> Did you avoid annoying animations, sound effects, and delays?	<b>15</b>	
<p align="center"><b><i>Oral Quality</i></b></p> <input type="checkbox"/> Did you speak sufficiently loudly? <input type="checkbox"/> Did you talk to the audience (as opposed to yourself)? <input type="checkbox"/> Did you know your topic (as opposed to repeated reference to written notes)? <input type="checkbox"/> Did you make eye contact? <input type="checkbox"/> Did your words support your visuals (as opposed to reading your slides aloud)?	<b>10</b>	
<p align="center"><b><i>Answering Questions</i></b></p> <input type="checkbox"/> Did you understand the questions as asked? <input type="checkbox"/> Did you answer the questions as asked?	<b>5</b>	
<p align="center"><b><i>Asking Questions</i></b></p> <input type="checkbox"/> Questioner #1: _____. <input type="checkbox"/> Was question #1 relevant?	<p align="center"><b><i>Asking Questions</i></b></p> <input type="checkbox"/> Questioner #2: _____. <input type="checkbox"/> Was question #2 relevant?	<b>5</b>
<input type="checkbox"/> Questioner #3: _____. <input type="checkbox"/> Was question #3 relevant?	<input type="checkbox"/> Questioner #4: _____. <input type="checkbox"/> Was question #4 relevant?	<b>5</b>
