Animals – Bringing on Campus Policy

Policy

No pets or animals shall be permitted on campus or in campus buildings or on athletic fields, except:

- Animals trained to provide assistance to people who are visually and hearing impaired.
- Animals required for laboratory and experimental purposes.
- Animals on leashes accompanied by a responsible person during a temporary visit. Such leashed animals, however, are not permitted in campus buildings unless they are seeing-eye dogs. Temporary visits of leashed animals other than seeing-eye dogs may be authorized in the residence halls prior to the visit by the Director of Residence Life.
- Fish or turtles in bowls and aquariums with less than a 10 gallon capacity kept in residence hall rooms.
