### **RECRUITMENT INFORMATION:**

**LOCAL SORORITIES:** Local sororities are self-governed and do not answer to a higher council other than the Inter-Greek Council at Geneseo. Our local sororities include AOPi, AGO, Clio, Phi Lamb, SMAC, ADE, RLK, and SGPhi (Thusa). All of our local sororities recruit new members in the fall and spring semesters, with the exception of AGO (recruits in the spring only).

**PANHELLENIC SORORITIES:** Panhellenic sororities at Geneseo are also known as national sororities. These organizations are governed by both the Inter-Greek Council and the Panhellenic. The national sororities at Geneseo include Sigma Kappa, AST, SDT, DPhiE, and ZETA.

**FIRST PREFERENCE:** A google form will be sent out to your email and you will choose 3 local sororities to preference. This means that you will choose 3 sororities that you would like to receive a formal invitation from. Your preference does not guarantee an invitation but informs the organization of your interest. **\*\*only for locals\*\***

**FORMAL INVITES:** Receiving an invitation to a formal is the first step before receiving a bid. You will not receive a bid without first attending that organization's formal. Formals typically include a dinner with the organization where potential new members are able to get a better feel of what makes the sorority unique and special.

**FINAL PREFERENCE:** Potential new members will choose one local sorority that they wish to receive a bid from. Again, this does not guarantee a bid, but instead informs the chosen sorority of your interest. **\*\*only for locals\*\***

**SILENT DAYS:** Sorority members may not interact with potential new members on silent days. This is to ensure that current sorority members do not influence potential new members' decisions with respect to first preference, final preference, and bid acceptance.

**BIDS:** A bid is an invitation to become a new member of the sorority. Acceptance of a bid is followed by a 5-week pledging process for that given organization before becoming fully initiated into the sorority.
