Master Schedule Notes:

- Please use this master schedule when planning and registering for courses.
 - The master schedule details courses linked together and field placement times, which may not be visible directly on the registration. Note the time to save for field experience courses carefully.
 - Review any notes sections carefully for the information you need for the course or specific block of courses.
 - You may click directly on the topic in the Table of Contents to go to that part of the schedule.
 - Summer 2024 and graduate course offerings are listed at the end of the master schedule.

 - OFC = Off-campus (field experience/student teaching)
 - TBD = To be determined. Updates will be posted.

 - The master schedule is subject to change and will be updated and shared with an updated date.
 - The master schedule is posted on the SOE home page and will be shared via the student listserv.
 - Be sure you are referencing the most current master schedule.
 - When registering for a course with a lecture and activity, you must enter the linked CRNs at the same time during registration. If you receive a registration error about co-reqs, and you didn't enter the CRN numbers at the same time, this might be the reason for the error.
