

# *158th Commencement*

May 18, 2024

---

Ira S. Wilson Arena  
Merritt Athletic Center  
Geneseo, New York

# *A Message from the President*

*To our graduates,*

*I am pleased to congratulate you, our graduates, on your outstanding achievement. Your hard work, determination, and family's and friends' support have been instrumental in guiding you through a rigorous program of study at SUNY Geneseo.*

*Like those who have supported you, we take great pride in your accomplishments. You are joining a long line of distinguished Geneseo alumni stretching back more than 150 years to the college's founding.*

*You are graduating from one of the finest public liberal arts colleges in the country. During the last few years, you have come to know that Geneseo is more than a location, a public honors college, and a village. It's a community—of scholars and citizens, faculty and students, family and friends—united by a shared purpose: the education of tomorrow's teachers and doctors, musicians and managers, scientists and sociologists, who will become the molders and shapers of the future on the national and international stage.*

*While pursuing your academic dreams, you have shown the strength, intelligence, and talent for which Geneseo students are known. From the outstanding achievements on the field of competition through SUNYAC and NCAA Division III athletic events to the caliber of research presentations and performances in the annual GREAT Day celebrations, your class has much to be proud of.*

*As you receive your diploma, you will join thousands of alumni who demonstrate vividly the value of*

*a liberal arts education from Geneseo and why our graduates are in high demand in business, education, government, the fine arts, and science here and around the world.*

*No matter where your journey takes you, I hope you will return regularly to Geneseo—in spirit or in person—for an alumni reunion or simply to stroll across campus and visit Emmeline perched on the fountain in the heart of the Village. You are now a permanent member of the extended Geneseo family, a welcoming community of resourceful and talented individuals making a difference in their communities who are eager to help you reach your dreams.*

*We cannot wait to hear about all you will do, the lives you will touch, and the mountains you will move. Congratulations on your outstanding achievement. Please keep in touch.*

*Sincerely,*

*Denise A. Battles, President*

Geneseo is the only undergraduate SUNY college with a Phi Beta Kappa chapter, one of only 286 chapters in the nation.

## Senior Orators

The Senior Oration is an important opportunity for seniors to share reflections on the Geneseo experience with the graduating class. "Student-to-student communication represents what the graduates take with them into the world and demonstrates the results of the excellent teaching and learning that distinguish a Geneseo education," says President Denise A. Battles.

## Special Awards

The **Richard Roark Award** was first presented in May 1970, less than two months after Roark, a professor of anthropology at Geneseo, was presumed drowned off the Island of Guadeloupe in the French West Indies. The endowed award is given to a graduating senior whose excellence in scholarship and community service emulates Roark's. The recipient will receive a stipend to purchase books and will have their name inscribed on a plaque in the Robert MacVittie College Union.

## Academic Attire

Academic attire generally consists of cap, gown, and hood worn on formal occasions at institutions of higher learning. This attire reflects the ecclesiastical garb of the medieval period when scholars were nearly all members of the clergy.

The bachelor's gown is worn closed, distinguished by its long, pointed sleeves; the master's gown is designed to be worn open and has long sleeves with an arc cut in front and square base in the back. The doctoral gown is worn open or closed and has velvet panels down the front and three velvet bars on the round, full sleeve.

A distinguishing feature of academic attire is the hood. Its size, shape, and color designate the degree earned and

Members of the Class of 2024 were invited to compete for the honor of Senior Orator in a multi-stage process. From this year's excellent entries, Katlin McNeil '24 will speak at the morning ceremony. She is graduating with a double major in history and English and a minor in medieval studies. Aman Manghi '24 will speak at the afternoon ceremony. He is pursuing a double major in economics and finance.

The **President's Cup** is given annually to a graduating senior who exemplifies superior service and dedication to the Student Association through involvement in and leadership of the association and its funded organizations. Students receiving this award must have at least a 2.7 grade point average. Recipients are selected by the newly elected executive committee, and the award is presented by the incoming Student Association president at the Commencement Rehearsal.

the college or university. Bachelor's hoods are rarely used, but they are similar in design to master's hoods and are three feet long. The master's hood measures three and a half feet. The doctoral hood is rounder and four feet long. Hoods are lined with the official colors of the institution conferring the degree, such as blue and gold for the State University of New York. The binding around the hood is velvet and the color indicates the major field of study.

Caps are normally black and the most common is the four-pointed mortarboard, but tams are also worn. Tassels are worn over the left front quarter after the degree has been conferred. Tassels were historically black although doctoral degree holders may wear a shorter gold tassel.

## The Mace

The faculty and staff procession is led by the Grand Marshal, who carries the Geneseo mace. The mace dates to medieval times and is a symbol of authority. Geneseo's mace is carried only at the New Student Convocation and Commencement.

The mace and a companion medallion were designed and created by Professor Willard Peterson in 1971 in response to a commission by a committee of students and alumni chaired by Robert Redden. Peterson's design for the Geneseo mace fashions New York State cherry wood into the handle and the traditional spikes. The ornamentation features a blue lapis lazuli gemstone (found in the US

only in New York State) and honors the Geneseo blue. The sunburst surrounding the stone alternates twelve gold and silver shafts, reflecting the light of learning.

The mace was a gift to the College by the Alpha Clonian Corporation. The medallion, worn by the president as a seal of office, was given by the Class of 1969. A new lanyard for the medallion was designed and created by Professor Patrice Case in 2016. A cabinet to house both was designed and constructed by Professor Paul Hepler and presented to the College by the Alumni Association. It stands in the Tower Room of Doty Hall, where the mace and medallion are permanently displayed.

# Greetings from the Alumni Association

May 18, 2024

Dear Geneseo Graduate,

On behalf of the Office of Alumni Relations and the SUNY Geneseo Alumni Association (SGAA), congratulations on your achievement and welcome to the Geneseo alumni community! You are now one of the newest members of the SGAA—a strong network of more than 65,000 alumni who span the globe.

No matter where life takes you, Geneseo is a place you can call home. Maintain friendships and connections with fellow classmates and faculty. Take advantage of the many opportunities to stay connected and forge new relationships with alumni along the way.

Get involved with the SGAA! Organize a Geneseo regional event where you live or participate in alumni affinity activities. Attend regional and Geneseo campus events, join the Alumni Book Club, take part in lifelong learning opportunities, and sign up for the Alumni Career Advisor Network. Follow the Geneseo Alumni Facebook page, @Geneseoalums on Instagram, and join the SUNY Geneseo Alumni LinkedIn group.

Again, congratulations on reaching this important milestone and welcome to a growing alumni community. Once a Knight, always a Knight! Geneseo alumni possess a strong sense of community, value kindness and loyalty, and make a positive impact in the world. If you should find yourself in the area, please visit us at Campus House on Main Street. We will be more than happy to answer any questions you may have and fill you in on what is happening around campus.

The Office of Alumni Relations and the SUNY Geneseo Alumni Association wish you success in all your endeavors.

Sincerely,

Dave Miller '90  
President, SUNY Geneseo Alumni Association

Restrooms on the lower level can be accessed by exiting the main upper doors and using stairs or elevator to the lower level or by exiting the hallway to the northeast on the jogging track (follow restroom sign). ## First Aid

First aid is provided by the Geneseo First Responders (GFR) and is available from 7 a.m. to 5 p.m. on Commencement Day. Uniformed members are in the Workout Room on the lower level of the arena. Ask an usher to direct you if you need assistance.

## Emergency Evacuation

In the unlikely event the arena needs to be evacuated, we ask each person to exit via the closest exit located in each corner of the arena.

Geneseo staff will then assist by directing you to the nearest point of shelter.
