

Ithaca College School of Business **1-year MBA Program for Business and Accounting Majors**

Ithaca's School of Business offers two graduate business degrees and both provide superior graduate instruction in management. MBA candidates can personalize their degree by choosing elective courses in areas of personal and professional interest, while MBA-Professional Accountancy candidates complete a program of advanced accounting coursework designed to prepare them for the CPA exam. Students attending full-time will be able to complete the MBA program in one-year (August -June).

ADMISSIONS REQUIREMENTS

Applicants should demonstrate an overall strong potential for success in graduate business study based on their GMAT scores and their undergraduate academic performance. Typically, applicants should have a minimum cumulative undergraduate grade point average of 3.00 and a minimum GMAT score of 500. Students who have a cumulative GPA of 3.3 or higher at the start of their final semester **will not** be required to submit a GMAT score as part of the application process. Scholarships are available for well qualified candidates.
