

Entered Geneseo Before the Fall of 2014. (Any Catalog Year before 2014-2015)

All School of Business majors, who entered with less than 60 transfer credits must compete 12 Professional Development (PD) Events in order to graduate. There are absolutely no exceptions to this rule. The events are:

Freshman/Sophomore PD Event: Taking Ownership
Junior/Senior PD Event: Preparing for the Future
And
10 elective events.

Students who entered Geneseo with 60 or more hours need to complete a total of 8 PD events. Those events are:

Junior/Senior PD Event: Preparing for the Future
And
7 elective events.

Please check the School of Business website for the list of eligible events to fulfill the elective events. Faculty may also announce events in class. Student attendance at each of the sanctioned events will be verified and recorded by Geneseo ID #. Students will be able to confirm that they have been credited with completion of the activity by accessing a central database. Students will be responsible for notifying the School of Business of any discrepancies within a reasonable period of time.

Fulfilling the Requirement: When you register for your last semester at Geneseo, you will register for one of the following PD requirement sections:

Business Administration majors - Mgmt 099
Accounting majors - Acct 099
Economics majors - Econ 099

If you have registered for this zero credit "class," your PD record will be reviewed at the end of the semester and you will receive a "Satisfactory or Unsatisfactory" grade. This will become a permanent notation on your transcript and show that you have fulfilled the requirement. Please remember, this process will only take place in the Fall and Spring semesters. If you are an August graduate - sign up for the 099 class during the spring semester.
