CAMPUS AUXILIARY SERVICES, known as CAS, is a not-for-profit company dedicated to serving the SUNY Geneseo campus. CAS provides several nonacademic services to SUNY Geneseo. While mostly known for their dining program, they also provide catering, laundry, cable, vending, ID, refuse and recycling, as well as a host of other services including the operation of the Big Tree Inn. <http://www.casgeneseo.com/>

Internship opportunities bridge the gap between the educational and professional worlds, making it easier to transition from academic life into a career. An internship can be an exciting and rewarding experience. Students can build a valuable network of colleagues and professional references that can help them get an internship or job in the future.

Get ahead of your peers and graduate with a unique multi-discipline business experience. For business leaders with an interest in operations, supply chain management, marketing, sales, and contracting. Gain insight into and understanding of the many facets of the supply chain continuum by working with a national food service distributor, a national group purchasing organization, and a local foodservice provider. You will spend time training, shadowing, participating in projects and attending meetings in all key areas including sales, contracting, operations, business intelligence and more. While the emphasis is on supply chain in the hospitality and food services management industry, knowledge is easily transferable to other industries.

Develop the skills and experience to set you apart and make you desirable to recruiters.
