

## Writing Sample Cover Sheet

Students who wish to pursue the Creative Writing track must first be admitted to the track. To apply for admission to the track, use this form to seek admission to a 300-level workshop and *indicate that you would also like to be admitted to the track* by checking the appropriate box below.

Any student may apply for admission to a 300-level writing workshop without applying for admission to the track. Simply check the appropriate box below to indicate that you are applying to a workshop but not the track.

Students who have already been admitted to the Creative Writing track should use this form to indicate that they intend to register for a 300-level workshop. If you are already in the track, you *will be admitted* to the workshop provided that there is space available, that you complete and submit this form by the deadline, and that you attach the required writing sample.
