

## COVID FULLY REMOTE EXEMPTION FORM

Last Name	First Name	Student Email	Semester	G# (G00123456)
			Spring 2022	

This form is required for students requesting exemption from the COVID-19 vaccination requirement due to their status as fully remote or fully online students.

**To be completed by the student or guardian(if the student is under 18)**

1. I understand that all SUNY Geneseo students who access any SUNY campus facilities in person are to be fully vaccinated against COVID-19, with limited exceptions.
2. My signature below indicates that I am requesting an exemption from this requirement for the semester listed above, and that I attest I will register for remote instruction mode courses only and will not have a physical presence at any SUNY facility (i.e. classrooms, libraries, residence halls, cafeterias, labs, arena) including for the purpose of using on-campus services, for the duration of the identified semester.
3. I understand that if I want to register for only fully remote courses again during a subsequent semester, I will need to submit a new exemption request.
4. I attest that if I must have an in-person presence at any SUNY Geneseo owned facility after signing this form, that I will submit proof of being fully COVID-19 vaccinated to the Health Center, and receive confirmation of the validation of my full vaccine information through the Secure Messaging function of the student health portal, **prior** to my arrival.
5. I have read and understand the preceding statements and sign it with full knowledge of their meaning and content.
