

Non-Competitive Class Recruitment Procedures

Thank you for your interest in employment at SUNY Geneseo. This guide will provide some more information on our employment procedures for **Non-Competitive Titles**.

Appointment to higher salaried vacant positions in the **Non-Competitive Class** shall be made on the basis of seniority, provided the candidate meets the posting requirements and has the ability to perform duties and responsibilities satisfactorily. Seniority for the purpose of the Non-Competitive selection process depends on the length of time in the OSU bargaining unit, NOT the length of time at SUNY Geneseo. Therefore, internal and external candidates are encouraged to apply in direct response to the job posting through our Online Employment System found at <https://jobs.geneseo.edu>.
