## POLICY

It is very important to maintain a good attendance record. SUNY Geneseo attaches considerable importance to reliable attendance and it is a significant factor in appointment and promotion decisions and important to the College's daily operations. When employees present themselves for appointment, they do so with the implied or specific understanding that they are ready, willing and able to perform their duties and responsibilities on a regular basis.

Falsification of an employee's attendance record constitutes a very serious violation and is a basis for disciplinary action under the applicable bargaining agreement.
