Dear **Organization**,

I am writing to you on behalf of the Inter-Greek Council. Every year, an extraordinary number of Greek members attend the Relay for Life, and in the spring of 2010, a SUNY Geneseo Alumnus named Jeff McKinney came to speak about his daughter Anna. Anna was a very special little girl, who loved princesses, and blowing bubbles, but in 2008 she was diagnosed with T-Cell Acute Lymphoblastic Leukemia. Anna underwent aggressive chemotherapy, and a bone marrow transplant, the entire time with a smile on her face. Anna went into remission on two separate occasions, but she lost her heroic battle with Leukemia on January 2nd, 2010. The McKinney family founded the Anna's Wish Foundation before Anna passed, in honor of Anna. One thing Anna loved was to give presents to her friends, her family and her teachers. She brought joy to everyone around her. The sole purpose of Anna's Wish is to help families provide their children with the holiday joy they deserve and to perhaps forget about the worries that cancer brings if even for a few short moments. The holidays should be filled with joy and hope, not worrying about finances.

The Inter-Greek Council is planning an event called Anna's Ball in March of 2011, in order to raise money for Anna's Wish. We are hoping your organization will be willing to provide support in the form of monetary donations. All proceeds raised will go directly to Anna's Wish, which gives 100% of their proceeds to families in need. Any organization that makes a financial contribution will be publicly acknowledged at Anna's Ball. Organizations wishing to participate are asked to review the attached guidelines and submit the form to Wendi Kinney in CU 344.

Please help us help the McKinney family and all the local families with a brave, young warrior battling cancer. To learn more about Anna's Wish visit http://www.annaswish.org/.

Sincerely,

The Inter-Greek Council & Anna's Ball Committee
