Discussion took place debating the \$10.00 discount versus the 10% off trip fees and how those benefits would be applied over time. Members stated pros and cons of each.

Henning reported on meeting of student members of Committee: Marie, Torrie, Thomas Magnus. Discussed the importance of using social media, creation of a calendar, Emphasize Service Learning aspect of trips, increase reflection on experience, the need for student leaders to have a distinct role during and after trips, possibly providing training for leaders

Updates on 2018 Livingston CARES Trips (Freeman/Matthews)

We need a student and faculty / staff / community member leader for each trip

We work on recovery as opposed to relief efforts. We seek to support families and those impacted in the long term versus immediate aftermath of a disaster.

Proposed 2018 trips:

Rochester: 1 weekend trip - 2/23-2/25, tentatively planned

Brooklyn: 3 trips – Jan 7-13, Mar. 10-17, and May 13-19. Working with St. Bernard Projects

Atlanta: Yes, if interest. Cathy Adams – Has connections and some forward momentum.

Appalachia: Possibly next year

Texas and Florida: (preliminary planning occurred after this meeting –3 trips to each location – Texas (Houston) and Florida. Jan 7-13, Mar. 10-17, and May 13-19. We are working on details. St. Bernard's Parish / Projects – setting up recovery efforts in TX. We should connect with them. We need someone to reach out.

Biloxi: May – Scheduled and paid a non-refundable \$200 fee. 7-14 volunteers

Discussion: Need to rethink pricing of trips. Reprice for everyone or help those in need with scholarships. How to establish criteria? Categories of need? Need guidance of

board to navigate. Tom is not in favor of individual groups doing fundraising for individual trips. At Volunteer Fair and LC Day – We should get a list of people who are interested in service trips

Update on Home Away from Home Respite Program (Matthews)

LC is Fiscal Sponsor of program under supervision of Center for Community. Received a 10,000 grant to support paying a new coordinator, Sharon Leary. CAS is administering payment to Leary.

Update on Fiscal Sponsorship of Food Pantry (Matthews / Executive Committee Members)

Notes from Executive meeting available.

Discuss Livingston CARES Day – Sept. 15, 2017

Promoting membership and trips - Board members should sign up to table at the event

Discussion regarding special funds for Harvey Recovery:

Tom sent out an email with recommendation to collect funds to be used to support recovery efforts in Texas and (consequently) Florida– board members responded via email to “approve”

Affirm decision to approve fund – Board members agreed by consensus to affirm decision to establish fund. Discussion continued regarding where the funds are to be applied and how to ensure their appropriate use and accounting. Funds are to be applied to legitimate agencies that serve those most in need.
