## Psychology: Preparing to transfer from SCC to Geneseo

Thanks for your interest in transferring to Geneseo! Please contact the psychology dept chair at Geneseo (Dr. Bazzett, [bazzett@geneseo.edu](mailto:bazzett@geneseo.edu)) with any questions!

### Basic Requirements (Complete all 5)

PSYC 100: Introductory Psychology (SCC: PSY 101)  
PSYC 225: Introduction to Cognitive Psychology  
PSYC 233: Introduction to Biological Psychology (SCC: PSY 201)  
PSYC 250: R/Introduction to Behavioral Statistics (SCC: PSY 225)  
PSYC 251: Introduction to Behavioral Research Methods

- Proficiency: Complete all 5 with a “C-” or higher, and at least a “C” average.
- BIOL 103/104: Human Biology (SCC: BIO 105) or BIOL 117/116: College Biology I (SCC: BIO 150) or BIOL 119/116: College Biology II (SCC: BIO 151) can be used to satisfy the prerequisite for PSYC 233.
- Proficiency is a prerequisite for most 300-level courses at Geneseo.

### Applications of Psychology (Choose one)

PSYC 202: Educational Psychology (SCC: PSY 220)  
PSYC 220: Applied Behavior Analysis  
PSYC 260: Abnormal Psychology (SCC: PSY 215)  
PSYC 265: Intro to Industrial and Organizational Psychology  
PSYC 268: Health Psychology (SCC: PSY 205)  
PSYC 275: S/Environmental Psychology  
PSYC 280: Sport and Exercise Psychology (SCC: PSY 202)

### Developmental Psychology (Choose one)

PSYC 215: S/Child Development (SCC: PSY 203)  
PSYC 216: S/Adolescent Development (SCC: PSY 217)  
PSYC 217: Adult Development and Aging (SCC: PSY 211)

**SCC (PSY 210: Lifespan Development)** with waiver from psychology dept chair at Geneseo

### 200-level psychology electives (Complete 1-2)

- Any 200-level course at SCC can be used as a 200-level elective at Geneseo.
- SCC students who complete **MTH 103: Statistics I** will earn credit for MATH 242 at Geneseo, which fulfills the PSYC 250 basic requirement.
  - One additional 200-level psychology elective will be needed to complete the “non-PSYC stats option.”

Updated: 12/15/20

### **Social/Personality (Choose one)**

PSYC 350: Social Psychology

PSYC 355: Psychology of Personality

- SCC students who complete **PSY 216: Social Psychology** will satisfy the Social/Personality content area requirement with a waiver from the psychology dept chair at Geneseo after completing an additional 300-level psychology elective at Geneseo. Otherwise, complete PSYC 350 or PSYC 355 at Geneseo.

### **300-level psychology electives (Complete 5-6)**

- Any student who completes PSYC 350 or PSYC 355 is required to complete 5 300-level psychology electives.
- SCC students who complete **PSY 216: Social Psychology** will need one additional 300-level psychology elective for a total of 6 300-level electives.

### **Senior Seminar**

PSYC 452: Advanced Research Methods (various subtitles)

- To be eligible to take the senior seminar, students first complete 3 300-level courses in psychology excluding experiential courses such as PSYC 391, 395, 396, 397.

### **Related Requirements**

#### *Biology (Choose one)*

BIOL 103: Human Biology & BIOL 104 - N/Human Biology Lab (**SCC: BIO 105**)

BIOL 117: General Biology I & BIOL 116 - N/General Biology Lab (**SCC: BIO 150**)

BIOL 119: General Biology II & BIOL 116 - N/General Biology Lab (**SCC: BIO 151**)

#### *Sociology (Choose any one 100-level)*

#### **SCC: SOC 101 (Introduction to Sociology)**

- Any 100-level sociology course at SCC or Geneseo fulfills this requirement.
