METERED MAIN STREET PARKING

Meters Enforced
Between 8 am - 5 pm
(Monday - Friday)

- All Meters are 2 hour limited meters.
- All Meters take Quarters.
- Please do NOT use coins other than Quarters—they jam the machines.
- Meters will give you a 5 minute “Grace Period” before turning red.
- Metered parking is free after 5:00 pm and on weekends and holidays.
- All meters have a slot to use a pre-paid, reloadable parking card.
- Cards can be purchased at the Village Office.

Please note: Parking cards are non-refundable and non-replaceable

Steps for using the cards:

1. Insert the card in the diagonal slot next to quarter slot.
2. Select side of the parking space you are in (right or left)
3. It will flash four times and then show your card balance
4. Flash 1 then 2: **pull your card out when it flashes 1 for one hour or 2 for two hours**
5. When you return to your car, if you have unused time, you can reinsert your card, the meter knows which side you are on, wait for it to flash 4 times and it will read “ref” for refund. The meter will then automatically refund your card.
6. For the refund, you need to be at the spot a minimum of **two (2) minutes**.
