**“What an amazing weekend at Geneseo celebrating Reunion together with so many wonderful people!” - Kelly Scheuneman-Chase '88**

Reunion 2023 was a huge success with more than 700 returning home to the valley. Check out the [photo gallery](#) to see just how much fun alumni and guests had during the weekend.

**Mark your calendar for next year's [Reunion](#) on June 7-8, 2024.\***  
Class years ending in **4 and 9** will celebrate milestone anniversaries.

Affinity chapters with milestone anniversaries in 2024 who may want to organize celebrations include: Arethusa 130th, Omega 40th, Phi Lamb 60th, Sigma Kappa 35th and Zeta Phi Beta 45th.

If you're interested in helping with your class reunion or organizing an affinity anniversary celebration, please complete the [volunteer interest form](#) by October 1 or contact [Tracy Gagnier '93](#), assistant director of alumni relations.

If you are interested in helping to plan the Class of 1974's 50th Reunion, please contact [Michelle Worden '92](#), associate director of alumni relations.

*\*We celebrate Reunion annually during the first full weekend in June (Friday and Saturday).*

**Thanks for coming back! Please consider giving back.**
