November 2, 2023

Dear Colleagues:

We are pleased to endorse the State Employees Federated Appeal (SEFA) campaign at SUNY Geneseo and ask all our members to consider making a pledge to support a participating SEFA charity. This year the College is eager to surpass the campaign goal of \$35,000. By making a pledge, you will support charities that make a significant impact in local, regional, and national communities.

In past years, the employees of SUNY Geneseo have shown their commitment to their communities with generous donations to the SEFA campaign. Our donations to charities in Livingston and surrounding counties helped many of our members and their loved ones. Our continued support is critical to the many important services provided by the charities participating in SEFA.

SEFA presents a unique opportunity for state employees to support a variety of necessary services within their own community in one easy-to-make payroll pledge. You have the chance to designate your gift to one or more specific community agencies of your choosing. By pledging to make your donation today, you have the chance to lend a much-needed helping hand to members of your community. If you have not taken advantage of the opportunity to support SEFA in the past, please consider doing so this year.

Please be sure to make your pledge today! Even the smallest amount will be appreciated. We are Geneseo!

Sincerely,

Todd White, CSEA SUNY Geneseo Local 608 President
