

October 20, 2023

Dear Colleagues,

I am delighted to announce the 2023 State Employees Federated Appeal (SEFA) campaign. Each fall, faculty and staff are asked to contribute to this important initiative. Whether pledging for the first time or maintaining a tradition of giving, please consider making a donation this year to help us reach our goal of \$35,000.

Programs supported by SEFA have the potential to benefit all segments of our community. The array of agencies supported by SEFA is so wide that it is almost certain that a relative, friend, or neighbor of yours has benefited from SEFA-supported programs. These programs can support senior citizens and individuals with developmental disabilities, assist parents and their children, support students, aid U.S. active military and veterans, and help animals find a forever home.

Members of the SUNY Geneseo community may pledge online at <https://www.sefanys.org/pledge>. Contributors to SEFA are eligible to win weekly raffle prizes, as well as a special grand prize at the end of the campaign. For questions regarding SEFA you can email [sefa@geneseo.edu](mailto:sefa@geneseo.edu).

Even a small donation can make a tremendous difference. You may wish to direct your donation to local organizations that benefit Livingston County, or organizations that reach a wider population in need.

I hope that you will help others by contributing to this year's SEFA campaign. To learn more, please visit the website [www.geneseo.edu/sefa](http://www.geneseo.edu/sefa).

Sincerely,

A handwritten signature in black ink, appearing to read "Denise A. Battles".
