US Fulbright Scholar Programs	Fulbright Programs	Fulbright Scholar Programs offer U.S. faculty, administrators and professionals to lecture, do research or participate in seminars.	Sept. 15	http://www.cies.org/us_scholars/
American Council of Learned Societies (ACLS)	Fellowships	ACLS supports scholars in the humanities and related social sciences at the doctoral and postdoctoral levels. Fellowships and grants are offered through multiple programs.	Various dates	http://www.acls.org/
Library of Congress	Kluge Fellowships	To conduct research in the in the humanities and social sciences in the John W. Kluge Center using the Library of Congress collections and resources. Scholars who have received a terminal advanced degree within the past seven years in the humanities or social sciences are eligible. Fellowships are tenable for periods from 4 to 11 months at a stipend of \$5,000 per month for residential research at the Library of	September	https://www.loc.gov/programs/john-w-kluge-center/chairs-fellowships/fellowships/kluge-fellowships/
American Sociological Association	Carla B. Howrey Teaching Enhancement Grants	Can support an individual, a program, a department, or a committee of a state/regional association. Funds can be used for a variety of purposes including, but not limited to: summer salary, equipment, software, travel, meetings, transcription of interviews and survey implementation. Principal criteria for the award are: the project advances the teaching and learning of sociology. Up to \$2,500.	February 1	https://www.asanet.org/career-center/grants-and-fellowships/teaching-enhancement-fund
American Sociological Association	Community Action Initiative Grants	The Carla B. Howrey Teaching Enhancement Fund provides small grants to support projects that advance the Scholarship of Teaching and Learning (SoTL) within the discipline of sociology, up to \$2,500. Community Action Research Initiative Projects, Up to \$3,000 to undertake community action projects that bring social science knowledge and methods to bear in addressing community-based problems. Applicants must be sociologists seeking to work with community organizations or community action initiatives. While ASA membership is not a criterion for applying, it is required to receive a grant.	February 13	https://www.asanet.org/career-center/grants-and-fellowships/teaching-enhancement-fund
Harry Frank Guggenheim Foundation	Distinguished Scholar Awards	The foundation welcomes proposals from any of the natural and social sciences and the humanities that promise to increase understanding of the causes, manifestations, and control of violence and aggression in relation to social change, intergroup conflict, war, terrorism, crime, and family relationships, among other subjects. Most awards fall within the range of \$15,000 to \$45,000 per year for periods of one or two	August 1	https://www.hfg.org/distinguished-scholars/
John Simon Guggenheim Memorial Foundation	Fellowships	Highly competitive fellowships for advanced professionals in all fields (natural sciences, social sciences, humanities, creative arts), except the performing arts, for research in any field of knowledge and creation in	September 21, 2023	http://www.gf.org/about-us/
National Science Foundation (NSF)	Cultural Anthropology Senior Research Awards	Supports individual, team, or collaborative research. The Cultural Anthropology Program supports basic scientific research about the causes, consequences, and complexities of human social and cultural variability. Because the National Science Foundation's mandate is to support basic research, the NSF Cultural Anthropology Program does not fund research that takes as its primary goal improved clinical practice or applied policy.	Jan 15 & Aug 15	https://new.nsf.gov/funding/opportunities/cultural-anthropology-program-senior-research
National Science Foundation (NSF)	Decision, Risk and Management Sciences	Supports scientific research directed at increasing the understanding and effectiveness of decision making by individuals, groups, organizations, and society. The program also supports small grants that are time-critical and small grants that are high-risk and of a potentially transformative nature. Funded research must be grounded in theory and	Jan 1	https://new.nsf.gov/funding/opportunities/decision-risk-management-sciences-drms
National Science Foundation (NSF)	Developmental Sciences	DS supports fundamental research that increases our understanding of cognitive, linguistic, social, cultural, and biological processes related to human development and across the lifespan.	July 15 & January 15	https://new.nsf.gov/funding/opportunities/developmental-sciences-ds
National Science Foundation (NSF)	Accountable Institutions and Behavior (AIB) and Security and Preparedness (SAP)	Division of Social and Economic Sciences. The AIB Program supports basic scientific research that advances knowledge and understanding of issues broadly related to attitudes, behavior, and institutions connected to public policy and the provision of public services. The SAP Program supports research and research infrastructure on issues broadly related to global and national security, including international conflict and dispute resolution, domestic political instability and civil war, and the security implications of climate change.	August 15 & January 15	https://new.nsf.gov/funding/opportunities/accountable-institutions-behavior-aib https://new.nsf.gov/funding/opportunities/security-preparedness-sap
National Science Foundation (NSF)	Sociology	The Sociology Program supports basic research on all forms of human social organization -- societies, institutions, groups and demography -- and processes of individual and institutional change. The Program encourages theoretically focused empirical investigations aimed at improving the explanation of fundamental social processes. Included is research on organizations and organizational behavior, population dynamics, social movements, social groups, labor force participation, stratification and mobility, family, social networks, socialization, gender, race and the sociology of science and technology. The Program supports both original data collections and secondary data analysis that use the full range of quantitative and qualitative methodological tools.	August 17 & January 15	https://new.nsf.gov/funding/opportunities/sociology
National Science Foundation (NSF)	Smart and Connected Communities (S&CC)	The goal of the NSF S&CC program solicitation is to accelerate the creation of the scientific and engineering foundations that will enable smart and connected communities to bring about new levels of economic opportunity and growth, safety and security, health and wellness, accessibility and inclusivity, and overall quality of life.	Anytime until April 1, 2024	https://new.nsf.gov/funding/opportunities/smart-connected-communities-scc
American Psychological Foundation	Various grants	APF is seeking to seed innovation through supporting projects and programs that use psychology to solve social problems. APF grants align with our mission of enhancing psychology to elevate the human condition and advance human potential. We offer grants for early career funding and seed grants for research and for targeted programs.	Various	https://www.apf.org/apf/funding/grants/

Social and Behavioral Sciences Location or Topic-Specific Opportunities				
Russell Sage Foundation	Various Research Grants and Visiting Researchers or Scholars Program	RSF will accept letters of inquiry (LOIs) under all of its core programs and special initiatives: Behavioral Science and Decision Making in Context; Future of Work; Immigration and Immigrant Integration; Race, Ethnicity and Immigration; Social, Political, and Economic Inequality. It will also accept LOIs relevant to its core programs that address the effects (a) of social movements, such as drives for unionization and mass social protests, and the effects of racial/ethnic/gender bias and discrimination on a range of outcomes related to social and living conditions in the U.S. and (b) of the 2023 Supreme Court decision on race-conscious affirmative action and the relative merits of different models to promote diversity and the educational attainment and economic mobility of underrepresented and lower-income students.	Various	http://www.russellsage.org/rsf-research-programs
American Councils for International Education	Title VIII Research Scholar Program	Funded by the U.S. Department of State's Program for Research and Training on Eastern Europe and the Independent States of the Former Soviet Union (Title VIII), provides support for faculty seeking to conduct in-country, independent research for three consecutive months to nine consecutive months in Albania, Armenia, Azerbaijan, Bosnia and Herzegovina, Bulgaria, Croatia, Estonia, Georgia, Kazakhstan, Kosovo, Kyrgyzstan, Latvia, Lithuania, Moldova, Montenegro, North Macedonia, Poland, Romania, Russia, Serbia, Tajikistan, Ukraine, Uzbekistan	Various	https://www.americancouncils.org/international-exchange/our-programs
National Endowment for the Humanities (NEH)	Summer Stipends	Supports full-time continuous work on a humanities project for a period of 2 months. Summer Stipends are awarded to individual scholars.	September	https://www.neh.gov/grants/research/summer-stipends
DAAD: Germanic Academic Exchange Service	Senior Researchers	Various opportunities for research in Germany, including the Alexander von Humboldt Professorship, Bilateral Exchange of Academics, ERC Advanced Grants, ERC Consolidator Grants, ERC synergy Grants, Fraunhofer Attract, Fraunhofer-Bessel Research Award, and many more.	Various	https://www.daad.de/en/
Institute for Advanced Study	Summer Program in Social Science Fellowship	The School of Social Science at the Institute for Advanced Study, Princeton, has organized for the past nine years the Summer Program in Social Science (SPSS), which is designed to draw together twenty early-career scholars from countries in Africa, the Middle East and Latin America. The program aims to enrich and expand the realm of the social sciences through the confrontation of different intellectual traditions and perspectives; to facilitate and enhance the dialogue between various scientific disciplines and communities; and to strengthen international networks across continents.	Applications for 2024-25 will open in fall 2023	https://www.ias.edu/ssr/summer-program-social-science
