

The Department of Music invites all qualified students to take part in its music lessons and ensembles. Majors and non-majors alike have a unique opportunity to study and perform with an artist faculty that includes members of our two resident groups, The Geneseo Piano Trio and The Geneseo Wind Quintet, as well as working professionals in brass, percussion, vocal, and piano performance. If you have a strong background in music, you will want to take advantage of opportunities in the lessons and ensembles listed.

Auditions and course registration for ensembles and lessons will take place at the beginning of the fall semester, as shown below. After a successful audition, you will be given a permission slip to register during the first week of school. Please leave room in your Summer Orientation/Registration Schedule for participation.

Students enrolling in Musc 189, Music A, must come for a piano skills assessment. The days, times and location are listed under "Piano Auditions."
