## Section 2: Overview

The State University of New York College at Geneseo (hereinafter “College” or “SUNY Geneseo”) desires to contract with a qualified consulting firm to increase institutional competitiveness for large federal grants and private foundation approaches through grant writing and related consulting services. The intent of this Request for Proposals (RFP) is to enter into a contract with a qualified Contractor. The contract term will be for a five (5) year term that begins April 1, 2024 and ends March 31, 2029.

## Section 3: Background

SUNY Geneseo, a forward-looking, selective public liberal arts college with a rich tradition of academic excellence, is consistently ranked among the best public undergraduate institutions in the country. The campus of approximately 4,000 students is located in the historic village of Geneseo in the beautiful Finger Lakes region of Western New York, 30 minutes from Rochester, on land that once belonged to the peoples who are now the Seneca Nation of Indians and the Tonawanda Seneca Nation. The 150-year-old institution is renowned for achieving remarkable results—even when facing challenges. The College has gained momentum through the pandemic, with a recently updated curriculum emphasizing diversity, pluralism, antiracism, global awareness, and integrative learning, and with major renovations to multiple core buildings underway. SUNY Geneseo is a member of the Council of Public Liberal Arts Colleges.

Geneseo has carved a distinctive niche in the higher education market by competing for outstanding students with some of the most exceptional private colleges in the nation. To learn more about Geneseo, visit <https://www.geneseo.edu>.

## **Section 8: Method of Award**

### **Section 8.1: Evaluation Process**

This RFP is part of a competitive procurement process designed to serve the best interests of the State University of New York and the People of the State of New York. It is also designed to provide all Bidders with a fair and even opportunity to have their products and services considered. SUNY will conduct a comprehensive review of each responsive bid submitted in accordance with the terms of this RFP. Proposals will be evaluated on the basis of “best value” by an evaluation committee comprised of SUNY representatives, and shall be conducted in the following steps:

#### **1. Administrative Review**

Each proposal received by the due date and time will be screened for completeness and conformance of submission in accordance with Section 9, Proposal Submission Requirements.

#### **2. Minimum Bidder Qualifications Review**

Each proposal remaining after Administrative Review will be evaluated for a determination of whether the Bidder has met the Minimum Bidder Qualifications.

Information provided in the proposal will be used to validate Minimum Bidder Qualifications and SUNY reserves the right to contact client references to validate required experience. If review of response and reference checks determine the Bidder does not meet Minimum Bidder Qualifications, the proposal will be deemed non-responsive and will not be considered further.

#### **3. Technical Evaluation**

Each proposal remaining after Minimum Bidder Qualifications Review will advance for review and independent evaluation and scoring by the technical review evaluation committee. If the technical evaluation determines the Bidder’s proposal does not meet any mandatory requirements, the proposal will be deemed inadequate and will not be considered further.

#### **4. Cost Evaluation**

The Cost Proposals of each bid remaining after the Technical Evaluation will be independently evaluated and scored by the designated contract officer.

#### **5. Finalist Review**

In accordance with Section 163 (9) f of the NYS Finance Law, prior to making a contract award each contracting agency shall make a determination of responsibility of the proposed Contractor as discussed in Section 10.1, Vendor Responsibility. SUNY will conduct a review of vendor responsibility for the Bidder earning the highest final composite score, and any proposed subcontractors. SUNY will consider any information that raises issues concerning the vendor’s responsibility, with consideration given to its relevance to the scope of work. The review will include factors such as financial and organizational capacity, legal authority, integrity, and previous contract performance.

## 6. Selection

Proposals will be evaluated on the basis of “best value” by an evaluation committee comprised of SUNY representatives, utilizing an evaluation methodology that considers the following factors:

<b>EVALUATION CRITERIA</b> <i>(Breakdown of Components and Applicable Weights)</i>	<b>POINTS WEIGHTING</b> <i>(Max. 100 Pts. Available)</i>
<b>COST (Financial Proposal) (35%)</b>	35
<b>TECHNICAL (65%)</b>	
<b>Demonstrated experience</b> with federal agencies and private foundations that fund small to mid-sized higher education institutions. (e.g., demonstrated success securing funding for colleges and universities, on projects of similar size and scope, corporate history/background/profile, and quality of staff to be dedicated to this project, etc.)	25
<b>Approach</b> (e.g., demonstrated understanding of the scope of this specific project, proposed strategic process and demonstrated potential success, timetable, staffing offered and the percentage of their time assigned to this project, etc.)	20
<b>Technical Capabilities</b> (e.g., Bidder's particular area(s) of expertise and core competencies and how they apply to this project).	10
<b>Experience working directly with faculty, staff, and administrators</b> on grant proposals and providing effective training in the areas of grant research, writing, and management.	10
<b>GRAND TOTAL OF COST AND TECHNICAL:</b>	<b>100</b> <i>(Max. Possible Pts.)</i>

The Bidder earning the highest final composite score may be selected for a contract award with SUNY and, if selected, will be notified by SUNY. Contract award shall be made by issuance of an award notice. All Bidders will be notified of the name of the selected awardee. SUNY contracts may be subject to approval by the NYS Attorney General and the Office of the State Comptroller. SUNY reserves the right to award no contract pursuant to this RFP.

SUNY reserves the right to:

1. Reject any and all proposals received in response to this RFP, make a contract award in whole or in part.

information submitted by the Bidder in response to SUNY's request for clarifying information, in the course of evaluation and/or selection under the RFP.

7. Prior to the bid opening, amend the RFP specifications to correct errors of oversights, or to supply additional information, as it becomes available.

12. Negotiate with Bidders responding to this RFP within the requirements necessary to serve the best interests of SUNY.
13. Begin contract negotiations with another Bidder in order to serve the best interests of SUNY should contract negotiations with the Successful Bidder be unsuccessful within a time frame acceptable to SUNY.
14. Require clarifications from Bidders for purposes of assuring a full understanding of responsiveness, and permit revisions from all Bidders determined to be susceptible to contract award prior to award.

## **Section 9: Proposal Submission Requirements**

A Bidder's proposal shall address the Bidder's ability and methodology for providing SUNY with the requested services. To be deemed "responsive" to this RFP, a Bidder must meet all mandatory requirements and qualifications and its written proposal must address all points and questions appearing in this RFP. In the event a Bidder's proposal is determined by SUNY to be "non-responsive," SUNY may disqualify the proposal. A disqualified proposal will not be further evaluated or considered for contract award. To facilitate SUNY's review of proposals, Bidders must address all points and questions that appear in this RFP, and should do so in the order that they appear. Responses should be labeled to correspond to the numbers/letters of the sections and subsections of this RFP.

4. Proposal Packages:
  - a. Proposals should be submitted in sealed packages clearly labeled on the exterior addressed to the SUNY Primary Contact, with the RFP number and title. Proposals not labeled as instructed risk being opened prior to the bid opening date, which may result in the proposal being rejected. All proposals and accompanying documentation shall become the property of SUNY and shall not be returned.

- b. **Cost proposals should be submitted in separate sealed envelopes.** No mention of cost should appear in the technical proposal. Failure to adhere to this requirement may result in disqualification.
5. No telephone, facsimile, emailed or otherwise electronically submitted proposals will be accepted unless explicitly allowed in the RFP.

Bidders are cautioned that, even when using a trackable mailing/courier/messenger service, proposals must be received by the due date and time. A Late Bid is one that is not received at the location, date and time specified in this RFP. A Late Bid shall not be considered for award unless: (i) no timely Bids meeting the requirements of this RFP are received, or; (ii) in the case of a multiple award, an insufficient number of timely bids were received to satisfy the multiple award; (iii) and acceptance of the Late Bid is in the best interest of SUNY. Delays in United States mail deliveries or any other means of transmittal, including couriers or agents of SUNY shall not excuse Late Bid submissions. Similar types of delays, including but not limited to, bad weather, or security procedures for parking and building admittance shall not excuse Late Bid submissions. 11. Bidder is responsible for all costs that it incurs, direct or indirect, related to the preparation and submission of a proposal in response to this RFP.
12. Each copy of the proposal should be accompanied by the documents listed in Attachment 1, Bid Submission Checklist.

## **Section 10: Other Proposal Requirements**

### **Section 10.1: Determination of Vendor Responsibility**

New York State procurement law requires that state agencies award contracts only to responsible Bidders. Additionally, the New York State Comptroller must be satisfied that a proposed Contractor is responsible before approving a contract award under Section 112 of the State Finance Law. Section 163 of the New York State Finance Law (“SFL”) requires that contracts for services and commodities be awarded on the basis of lowest price or best value “to a responsive and responsible Bidder.” Section 163 (9)(f) of the SFL requires that prior to making a contract award, each contracting agency shall make a determination of responsibility of the proposed Contractor. In accordance with these procurement laws, SUNY will conduct an affirmative review of vendor responsibility for all organizations or firms with which it conducts business.

In response to this section, Bidders and all proposed subcontractors who may receive more than \$100,000 over the life of the contract are required to file the required Vendor Responsibility Questionnaire online via the New York State VendRep System or may choose to complete and submit a paper questionnaire. To enroll in and use the VendRep System, see the VendRep System Instructions on the Office of State Comptroller (OSC) website, available at: [www.osc.state.ny.us/vendrep](http://www.osc.state.ny.us/vendrep) or go directly to the VendRep System online at <https://portal.osc.state.ny.us>. For VendRep System user assistance, the OSC Help Desk may be reached at 866-370-4672 or 518-408-4672 or by email at [helpdesk@osc.state.ny.us](mailto:helpdesk@osc.state.ny.us). Bidders opting to file a paper questionnaire may obtain the appropriate questionnaire from the VendRep website [www.osc.state.ny.us/vendrep](http://www.osc.state.ny.us/vendrep) or use the hard copy, paper version provided with this RFP.

### **Section 10.2: Procurement Lobbying Act – State Finance Law §§ 139-j and 139-k**

Prior to approval of the contract for which this RFP has been issued by SUNY, or if applicable, the Office of the State Comptroller, a Bidder shall not communicate with SUNY other than with the persons identified in this RFP as Designated Contacts or with a person who the Designated Contacts has advised the Bidder in writing is also a Designated Contact. Generally, the New York State Finance Law restricts communications between a Bidder or a person acting on behalf of a Bidder, including its lobbyist, to communications with the officers and employees of the procuring agency designated in each solicitation to receive such communications. Further, the law prohibits a communication (a “Contact”) which a reasonable person would infer as an attempt to unduly influence the award, denial or amendment of a contract. These restrictions apply to each contract in excess of \$15,000 during the “restricted period” (the time commencing with the earliest written notice of the proposed procurement and ending with the later of approval of the final contract by the agency, or, if applicable, the State Comptroller). The agency must record all Contacts, and, generally, must deny an award of contract to a vendor involved in a knowing and willful Contact.

SUNY has developed procedures regarding Contacts and their reporting, review and investigation. SUNY’s procurement record must demonstrate compliance with these procedures. A determination that a Bidder or a person acting on behalf of a Bidder has intentionally made a Contact or provided inaccurate or incomplete information as to its past compliance with State Finance Law §§139-j and 139-k, is likely to result in denial of the award of contract under this RFP. Additional sanctions may apply. A complete copy of SUNY’s

Procurement Lobbying Policy and Procedure and its accompanying forms is available for review at [http://www.suny.edu/sunypp/documents.cfm?doc\\_id=430](http://www.suny.edu/sunypp/documents.cfm?doc_id=430)

In response to this section, complete and submit Attachment 6, Procurement Lobbying Act Certification.

**Section 10.3: Non-Collusive Bidding Certification**

In response to this section, complete and submit a completed Attachment 7, Non-collusive Bidding Certification.

**Section 10.4: Executive Order 162 (EO 162)**

Governor Cuomo's Executive Order 162 requires state contractors to disclose data on the gender, race, ethnicity, job title, and salary of employees performing work on state contracts.

Bidder agrees to submit Workforce Utilization Report (Form 7557-110) and to require the same information to be submitted by any of their subcontractors on the state contract, in such format as shall be required by SUNY on a monthly basis for all construction contracts and quarterly basis for all other contracts during the term of the contract. Empire State Development has provided specific details on this requirement at <https://esd.ny.gov/doing-business-ny/mwbe/mwbe-executive-order-162>.

**Section 10.5: Executive Order 177 (EO 177)**

The New York State Human Rights Law, Article 15 of the Executive Law, prohibits discrimination and harassment based on age, race, creed, color, national origin, sex, sexual orientation, gender identity, disability, marital status, military status, or other protected status. The Human Rights Law may also require reasonable accommodation for persons with disabilities and pregnancy-related conditions. A reasonable accommodation is an adjustment to a job or work environment that enables a person with a disability to perform the essential functions of a job in a reasonable manner. The Human Rights Law may also require reasonable accommodation in employment on the basis of Sabbath observance or religious practices. Generally, the Human Rights Law applies to: (i) all employers of four or more people, employment agencies, labor organizations and apprenticeship training programs in all instances of discrimination or harassment; (ii) employers with fewer than four employees in all cases involving sexual harassment; and (iii) any employer of domestic workers in cases involving sexual harassment or harassment based on gender, race, religion or national origin.

In accordance with Executive Order No. 177, prior to contract award, selected Awardee must submit a certification that it does not have institutional policies or practices that fail to address harassment and discrimination as described above. SUNY is electing to obtain the certification with the bid documents to avoid unnecessary delay in the contract award process.

In response to this section, complete and submit Attachment 4, NYS Human Rights Law Executive Order 177 Certification.

**Section 10.6: New York State Finance Law § 139-I Certification, Regarding Sexual Harassment Prevention Policies of Bidders**

Pursuant to N.Y. State Finance Law § 139-I, every bid made on or after January 1, 2019 to the State or any public department or agency thereof, where competitive bidding is required by statute, rule or regulation, for work or services performed or to be performed or goods sold or to be sold, and where otherwise required by such public department or agency, shall contain a certification that the Bidder has and has implemented a

written policy addressing sexual harassment prevention in the workplace and provides annual sexual harassment prevention training to all of its employees. Such policy shall, at a minimum, meet the requirements of N.Y. State Labor Law § 201-g.

N.Y. State Labor Law § 201-g provides requirements for such policy and training and directs the Department of Labor, in consultation with the Division of Human Rights, to create and publish a model sexual harassment prevention guidance document, sexual harassment prevention policy and sexual harassment prevention training program that employers may utilize to meet the requirements of N.Y. State Labor Law § 201-g. The model sexual harassment prevention policy, model sexual harassment training materials, and further guidance for employers, can be found online at the following URL: <https://www.ny.gov/combating-sexual-harassment-workplace/employers>.

Pursuant to N.Y. State Finance Law § 139-I, any bid by a corporate Bidder containing the certification required above shall be deemed to have been authorized by the board of directors of such Bidder, and such authorization shall be deemed to include the signing and submission of such bid and the inclusion therein of such statement as the act and deed of the Bidder.

If the Bidder cannot make the required certification, such Bidder shall so state and shall furnish with the bid a signed statement that sets forth in detail the reasons that the Bidder cannot make the certification. After review and consideration of such statement, SUNY may reject the bid or decide that there are sufficient reasons to accept the bid without such certification.

In response to this section, complete and submit Attachment 5, New York State Finance Law § 139-I Certification.

## **Section 10.7: Diversity Requirements**

### **Section 10.7.1: Equal Employment Opportunity Requirements**

- a. Pursuant to Article 15 of the Executive Law (the "Human Rights Law"), all other State and Federal statutory and constitutional non-discrimination provisions, the Bidder will not discriminate against any employee or applicant for employment because of race, creed, color, sex, religion, national origin, military status, sexual orientation, gender identity or expression, age, disability, predisposing genetic characteristics, domestic violence victim status, familial status or marital status. The Bidder shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest. The Bidder will state in all solicitations or advertisements for employees that, in the performance of this Contract, all qualified applicants will be afforded equal employment opportunities without discrimination.
- b. Contractor, shall undertake or continue programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, equal opportunity shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, and rates of pay or other forms of compensation. Please Note: Failure to comply with the foregoing requirements may result in a finding of non-responsiveness, non-responsibility and/or a breach of the Contract, leading to the withholding of funds, suspension or termination of the Contract or such other actions or enforcement proceedings as allowed by the Contract.

#### **Section 10.7.2: Service-Disabled Veteran-Owned Businesses (SDVOB)**

SUNY is committed to the State's policy of encouraging the development of service-disabled veteran-owned businesses (SDVOB). The Service-Disabled Veteran-Owned Business Act (the "Act") became effective on May 12, 2014, and SUNY has implemented the State's comprehensive plan and operational guidelines to promote SDVOBs and to assist them in obtaining opportunities to participate in the procurement of goods and services by the State. SUNY will employ applicable measures and procedures provided by the Director of the Division of Service-Disabled Veterans' Business Development in the Office of General Services (the "Division"), to ensure that SDVOBs are afforded the opportunity for meaningful participation in the performance of SUNY's contracts and to assist in achieving the Act's statewide goal for participation on state contracts by SDVOBs. Any contractor who willfully and intentionally fails to comply with the SDVOB participation requirements shall be liable to SUNY for damages, calculated based on costs for administration of SUNY's SDVOB program.

For additional information please refer to the SDVOB requirements outlined in SDVOB Prospective Bidder's Notice (Forms 7564-121A, 7564-121B and 7564-121C). A SDVOB Utilization Plan must be submitted with all bids, utilizing Form 7564-107. All Forms are available at:

For purposes of this solicitation, SUNY hereby establishes an overall goal of 6% for SDVOB participation.

#### **Section 10.7.3: Minority and Women-Owned Business Enterprises (MWBE)**

For purposes of this solicitation, SUNY hereby establishes an overall goal of 15% for MWBE participation, 15% for Minority-Owned Business Enterprises ("MBE") participation and 6% for Women-Owned Business Enterprises ("WBE") participation (based on the current availability of qualified MBEs and WBEs). For additional information please refer to the MWBE

requirements outlined in MWBE Prospective Bidder's Notice (Form 7557-121). For guidance on how SUNY will determine a Contractor's good faith efforts to utilize certified MWBEs, refer to 5 NYCRR §142.8.

Any modifications or changes to the Statewide Utilization Management Plan after the Contract execution and during the term of the Contract must be reported on a revised SUMP and submitted to SUNY. SUNY will review the submitted SUMP and advise the Awardee of SUNY acceptance or issue a notice of deficiency within 30 days of receipt.

If a notice of deficiency is issued, Awardee agrees that it shall respond to the notice of deficiency within seven (7) business days of receipt by submitting to SUNY [address phone and fax information], a written remedy in response to the notice of deficiency. If the written remedy that is submitted is not timely or is found by SUNY to be inadequate, SUNY shall notify the Awardee and direct the Awardee to submit, within five (5) business days, a request for a partial or total waiver of MWBE participation goals on Form 7557-114. Failure to file the waiver form in a timely manner may be grounds for disqualification of the bid or proposal.

SUNY may disqualify a Bidder as being non-responsive under the following circumstances:

- If a Bidder fails to submit a MWBE Utilization Plan;
- If a Bidder fails to submit a written remedy to a notice of deficiency;
- If a Bidder fails to submit a request for waiver; or
- If SUNY determines that the Bidder has failed to document good faith efforts.

## **Attachment 6: Procurement Lobbying Act Certification**

State Finance Law §§139-j and 139-k, enacted by Ch. 1 L. 2005, as amended by Ch. 596 L. 2005, effective January 1, 2006, regulate lobbying on government procurement, including procurements by State University to obtain commodities and services and to undertake real estate transactions.

Generally, the law restricts communications between a potential vendor or a person acting on behalf of the vendor, including its lobbyist, to communications with the officers and employees of the procuring agency designated in each solicitation to receive such communications. Further, the law prohibits a communication (a "Contact") which a reasonable person would infer as an attempt to unduly influence the award, denial or amendment of a contract. These restrictions apply to each contract in excess of \$15,000 during the "restricted period" (the time commencing with the earliest written notice of the proposed procurement and ending with the later of approval of the final contract by the agency, or, if applicable, the State Comptroller). The agency must record all Contacts, and, generally, must deny an award of contract to a vendor involved in a knowing and willful Contact. Each agency must develop guidelines and procedures regarding Contacts and procedures for the reporting and investigation of Contacts. The agency's procurement record must demonstrate compliance with these new requirements.

Accordingly, neither a potential vendor nor a person acting on behalf of the vendor should contact any individual at State University other than the person designated in this solicitation as State University's Designated Contact, nor attempt to unduly influence award of the contract. State University will make a record of all Contacts, and such records of Contact will become part of the procurement record for this solicitation. A determination that a vendor or a person acting on behalf of the vendor has made intentionally a Contact or provided inaccurate or incomplete information as to its past compliance with State Finance Law §§139-j and 139-k is likely to result in denial of the award of contract under this solicitation. Additional sanctions may apply.

Please complete the following:

1. As defined in State Finance Law §§ 139-j (1)(a), has a governmental agency made a determination of non-responsibility with respect to the Offeror within the previous four years where such a finding was due to a violation of State Finance Law §§ 139-j or the intentional provision of false or incomplete information with respect to previous determinations of non-responsibility? NO  YES  If yes, attach explanation
2. Has a governmental entity terminated or withheld a procurement contract with the Offeror because of violations of State Finance Law §§ 139-j or the intentional provision of false or incomplete information with respect to previous determinations of non-responsibility? NO  YES  If yes, attach explanation.

# EXHIBIT A

June 21, 2023

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word "Contractor" herein refers to any party other than the State or State University of New York, whether a Contractor, licensor, licensee, lessor, lessee or any other party; the State University of New York shall hereinafter be referred to as "SUNY"):

1. **EXECUTORY CLAUSE.** In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. **PROHIBITION AGAINST ASSIGNMENT.** In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of SUNY and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. SUNY retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with SUNY. The Contractor may, however, assign its right to receive payments without SUNY's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. **COMPTROLLER'S APPROVAL.** (a) In accordance with Section 112 of the State Finance Law, the State Comptroller's approval is required for the following contracts: (i) goods, services, construction, and construction-related services for State University hospital or healthcare facilities which exceed \$150,000; (ii) purchases utilizing an Office of General Services (OGS) centralized contract which exceed \$200,000 (iii) goods, services, construction, and construction-related services not described in (i) or (ii) and which exceed \$75,000;

(b) If this contract exceeds the threshold amounts listed above in Paragraph 3(a), or, if this is an amendment for any amount to a contract which, as so amended, exceeds said threshold amounts, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$25,000, it shall not be valid, effective or binding upon the State, and the State shall bear no liability, until it has been approved by the State Comptroller and filed in his or her office.

4. **WORKERS' COMPENSATION BENEFITS.** In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

5. **NON-DISCRIMINATION REQUIREMENTS.** To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment, nor subject any individual to harassment, because of age, race, creed, color, national origin, citizenship or immigration status, sexual orientation, gender identity or expression, military status, sex, disability, predisposing genetic characteristics, familial status, marital status, or domestic violence victim status or because the individual has opposed any practices forbidden under the Human Rights Law or has filed a complaint, testified, or assisted in any proceeding under the Human Rights Law. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. 6. **WAGE AND HOURS PROVISIONS.** If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay

or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State-approved sums due and owing for work done upon the project.

7. **NON-COLLUSIVE BIDDING CERTIFICATION.** In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of competitive bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to SUNY a non-collusive bidding certification on Contractor's behalf.

8. **INTERNATIONAL BOYCOTT PROHIBITION.** In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 *et seq.*) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2 NYCRR § 105.4).

9. **SET-OFF RIGHTS.** The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by SUNY, its representatives, or the State Comptroller.

10. **RECORDS.** The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, "the Records"). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as SUNY and any other agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. SUNY shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate SUNY official, in writing, that said Records should not be disclosed; and (ii) said Records shall be sufficiently identified; and (iii) designation of said Records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, SUNY's or the State's right to discovery in any pending or future litigation.

#### 11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION.

(a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to SUNY by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. SUNY shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, SUNY shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

## Exhibit D, SUNY Proposal Submission Guidelines

- 1. Article XI of NYS Finance Law:** SUNY shall receive proposals pursuant to the provisions of Article XI of the State Finance Law. All proposals and accompanying documentation shall become the property of the SUNY and shall not be returned.
- 2. Bid Protest Procedures:** Bidders wishing to file a bid protest may do so in accordance with SUNY's procedures, available at [http://www.suny.edu/sunypp/documents.cfm?doc\\_id=699](http://www.suny.edu/sunypp/documents.cfm?doc_id=699).
- 3. Confidentiality/Freedom of Information Law:** All proposals submitted for SUNY's consideration will be held in confidence and will become the property of SUNY. However, the resulting contract is subject to the New York State Freedom of Information Law (FOIL), contained in Article 6 of the New York State Public Officer's Law. Therefore, if a Bidder believes that any information in its proposal constitutes a trade secret, should be treated as confidential and should not be disclosed upon a request pursuant to FOIL, Bidder shall submit with its proposal a separate letter addressed to SUNY (find contact information for FOIL Officers here: <https://www.suny.edu/contact/foil/campus-foil-officers/>), specifically (i) identifying the page number(s), line(s) or other appropriate designation(s) containing such information; (ii) explaining in detail why such information is a trade secret or confidential; and (iii) formally request that such information be held as confidential. Bidder's failure to submit such a letter with its proposal will constitute a waiver by the Bidder of any rights it may have under Section 89(5) of the Public Officers' Law relating to protection of trade secrets. The proprietary nature of the information designated confidential by the Bidder may be subject to disclosure if ordered by a court of competent jurisdiction. A request that an entire proposal be kept confidential is not advisable, because a proposal cannot reasonably consist exclusively of proprietary information.
- 4. Conflict of Interest:** Bidder may be requested to provide evidence that the award of a contract will not result in (i) a conflict of interest with regard to other work performed by Bidder; or (ii) a potential conflict of interest among Bidder's staff.
- 5. Contract Award:** Receipt of this event does not indicate that SUNY has predetermined Bidder's qualifications to receive a contract award. A contract award, if made, shall be based on evaluation of the proposal in accordance with the method of award and criteria set forth in this event. The Successful Bidder will be notified by SUNY by telephone and confirmed by letter.
- 6. Encouraging Use of New York State Businesses:** New York State businesses have a substantial presence in SUNY contracts and strongly contribute to the economies of New York and the nation. In recognition of their economic activity and leadership in doing business in New York State, Bidders are strongly encouraged and expected to consider New York State businesses in the fulfillment of the requirements of the contract. Such partnering may be as subcontractors, suppliers, protégés or other supporting roles.

Bidders need to be aware that to the maximum extent practical and consistent with legal requirements, they are strongly encouraged to use responsible and responsive New York State businesses in purchasing commodities that are of equal quality and functionality and in utilizing services and technology.

Utilizing New York State businesses in SUNY contracts will help create more private sector jobs, rebuild New York's infrastructure, and maximize economic activity to the mutual benefit of the contractor and its New York State business partners. New York State businesses will promote the contractor's optimal performance under this contract, thereby fully benefiting the public sector programs that are supported by associated procurements.

Public procurements can drive and improve the State's economic engine through promotion of the use of New York businesses by its contractors. The SUNY therefore expects Bidders to provide maximum assistance to New York businesses in their use of the contract. The potential participation by all kinds of New York businesses will deliver great value to New York State and its taxpayers.

- 7. Acceptance of RFP Content:** The terms and conditions included in this RFP, as well as the applicable portions of Bidder's proposal shall become contractual obligations if a contract is awarded with the exception of permitted extraneous terms as described under Extraneous Terms. **BIDDER'S FAILURE TO ACCEPT THESE TERMS AND CONDITIONS AND OBLIGATIONS SHALL RESULT IN REJECTION OF BIDDER'S PROPOSAL.**
- 8. Extraneous Terms:** Bids must conform to the terms set forth in this event. Extraneous terms or material deviations (including additional, inconsistent, conflicting or alternative terms) may render the bid non-responsive and may result in rejection of the bid. Extraneous term(s) submitted on standard, pre-printed forms (including but not limited to: product literature, order forms, license agreements, contracts or other documents) that are attached or referenced with submissions shall not be considered part of the bid or resulting Contract, but shall be deemed included for informational or promotional purposes only.
- 9. Free and Open Competition:** SUNY encourages free and open competition. Whenever possible, terms, specifications, and conditions are designed to accomplish this objective, consistent with the necessity to satisfy the SUNY's needs.
- 10. Late Bids:** A bid must be received by the date and time set forth on the Summary Information Form. A late bid is one that is not received at the location, date and time specified in this event. Any bid received at the specified location after the time specified in this event will be considered a late bid. A late bid shall not be considered for award unless: (i) no timely Bids meeting the requirements of this event are received; or; (ii) in the case of a multiple award, an insufficient number of timely bids were received to satisfy the multiple award; (iii) and acceptance of the late bid is in the best interest of SUNY. Delays in United States mail deliveries or any other means of transmittal, including couriers or agents of SUNY shall not excuse late bid submissions. Similar types of delays, including but not limited to, bad weather, or security procedures for parking and building admittance shall not excuse late bid submissions. Determinations relative to bid timeliness shall be at the sole discretion of the SUNY Chancellor or her designee.
- 11. No Claims or Rights:** By submitting a proposal, Bidder agrees that it will not make any claims for, or have any right to damages because of any misinterpretation or misunderstanding of the specifications or because of any misinformation or lack of information.
- 12. Notification of Errors, Inquiries, and Interpretation:** A Bidder is responsible to bring to SUNY's attention any deviations in the technical specifications and to make recommendations for any additional requirements deemed necessary as standard, or for work indicated in the specifications contained in this event. If SUNY in its discretion finds the deviations to be significant so as to require a change in the necessary specifications for the work, SUNY will notify all Bidders in writing of the change in specifications. No deviations from the technical specifications provided herein shall be made without written approval of SUNY.
- 13. Post Award Procedures, Debriefing, and Protests:** Bidders who responded to this event will be given written notice as to whether their bid was successful or unsuccessful. Upon being notified of their unsuccessful bid, Bidders may request a debriefing in writing within 15 calendar days of such notice. The 15-day period starts once unsuccessful Bidders are notified. Upon a Bidder's request for a debriefing:
- a. SUNY will schedule the debriefing within a reasonable time of such request.
  - b. The debriefing will be conducted in person with the Bidder, unless SUNY and the Bidder mutually agree to use another method such as by telephone, video conference or another type of electronic communication.
  - c. Bidders' written request must state whether the Bidder will be attending with counsel, to allow SUNY to arrange for SUNY counsel attendance if so determined.
  - d. The debriefings will cover, but not be limited to the following:
    - i. The reason why the bid was unsuccessful.
    - ii. The quantitative and qualitative analysis that was used by the campus to assess the relative merits of the bid, proposal or offer.
    - iii. How the selection criteria was applied to the unsuccessful bid.

- iv. If the request for debriefing is made prior to contract award, the debriefing shall be limited to review of that Bidder's bid.
- v. If the debriefing is held after the final award (which means OSC approval, if applicable), it, may cover the reason for the selection of the winning proposal.
- vi. To the extent practicable, general advice and guidance on the ways the Bidder can improve future proposal submission or be more responsive.

**14. Services Outside the Scope of the Contract Awarded:** SUNY shall not be responsible for any services provided by the Successful Bidder that are outside the scope of the contract awarded. SUNY shall not be responsible for any additional costs other than the costs for the services outlined herein, or for any work performed that has not been properly authorized in writing by SUNY.

**15. Single Bid:** More than one bid from an individual, firm, partnership, corporation or association under the same or different names will not be considered. Reasonable grounds for believing that a Bidder is interested in more than one proposal for the same work will cause the rejection of all proposals in which such Bidders are believed to be interested.

**NEW YORK STATE  
VENDOR RESPONSIBILITY QUESTIONNAIRE  
FOR-PROFIT BUSINESS ENTITY**

You have selected the For-Profit Non-Construction questionnaire which may be printed and completed in this format or, for your convenience, may be completed online using the New York State VendRep System.

**COMPLETION & CERTIFICATION**

The person(s) completing the questionnaire must be knowledgeable about the vendor's business and operations. An owner or owner's official representative authorized to legally bind the Reporting Entity must certify the truth of the questionnaire answers.

**NEW YORK STATE VENDOR IDENTIFICATION NUMBER (VENDOR ID)**

The Vendor ID is a ten-digit identifier issued by New York State when the vendor is registered on the Statewide Vendor File. This number must now be included on the questionnaire. If the business entity has not obtained a Vendor ID, contact the IT Service Desk at [ITServiceDesk@osc.state.ny.us](mailto:ITServiceDesk@osc.state.ny.us) or call 866-370-4672.

**DEFINITIONS**

All underlined terms are defined in the "New York State Vendor Responsibility Definitions List," found at <https://www.osc.state.ny.us/files/vendors/2017-11/vendor-questionnaire-definitions.pdf>. These terms may not have their ordinary, common or traditional meanings. Each vendor must read the respective definitions for any and all underlined terms. By submitting this questionnaire, the vendor agrees to be bound by the terms as defined in the "New York State Vendor Responsibility Definitions List" existing at the time of certification.

**RESPONSES**

Every question must be answered fully. Each response must provide **all** relevant information to appropriately explain the answer. If you have concerns as to the legal requirements behind your answers, please seek clarification from your counsel. However, information regarding a determination or finding made in error which was subsequently corrected or overturned, and/or was withdrawn by the issuing government entity is not required to be identified. Individuals and Sole Proprietors may use a Social Security Number but are encouraged to obtain and use a federal Employer Identification Number (EIN).

**REPORTING ENTITY**

Each vendor must indicate if the questionnaire is filed on behalf of the entire Legal Business Entity or an Organizational Unit within or operating under the authority of the Legal Business Entity and having the same EIN. Generally, the Organizational Unit option may be appropriate for a vendor that meets the definition of "Reporting Entity" but due to the size and complexity of the Legal Business Entity, is best able to provide the required information for the Organizational Unit, while providing more limited information for other parts of the Legal Business Entity and Associated Entities.

**ASSOCIATED ENTITY**

An Associated Entity is one that owns or controls the Reporting Entity, or any entity owned or controlled by the Reporting Entity. However, the term Associated Entity does **not** include "sibling organizations" (i.e., entities owned or controlled by a parent company that owns or controls the Reporting Entity), unless such sibling entity has a direct relationship with or impact on the Reporting Entity. Please refer to the Definitions List for the complete definition.

**STRUCTURE OF THE QUESTIONNAIRE**

The questionnaire is organized into eleven sections. Section I is to be completed for the Legal Business Entity. Section II requires the vendor to specify the Reporting Entity for the questionnaire. Section III refers to the individuals of the Reporting Entity, while Sections IV-VIII require information about the Reporting Entity. Section IX pertains to any Associated Entities, with one question about their Officials/Owners. Section X relates to disclosure under the Freedom of Information Law (FOIL). Section XI requires an authorized contact for the questionnaire information.

As set forth in Publication 223, a contract is subject to section 5-a, and you must make the required certification(s), if:

Furthermore, the procuring entity must have begun the solicitation to purchase on or after January 1, 2005, and the resulting contract must have been awarded, amended, extended, renewed, or assigned *on or after April 26, 2006* (the effective date of the section 5-a amendments).

A letter of explanation and documentation of efforts must accompany any SDVOB Utilization Plan that falls short of the stated goals. Without an approved SDVOB Utilization Plan, SUNY's Notice of Award and Contract may be withheld.

If you have questions or need assistance related to the SUNY's Service-Disabled Veteran-Owned Business requirements call the University-wide MWBE Program Office at 518-320-1340 or email [MWBEprogram@suny.edu](mailto:MWBEprogram@suny.edu).

1. The three low bidding contractors ("Contractors") are required to submit an SDVOB Utilization Plan (Form 7465-107) to the MWBE Program Coordinator within seven (7) calendar days after the opening of bids for construction contracts exceeding \$100,000.
2. The MWBE Program Coordinator is required to submit the mandatory SDVOB documentation to the University-wide MWBE Program Office after the opening of bids for commodity, service and construction related consultant service contracts exceeding \$25,000 for the lowest bidding Contractor.
3. The SDVOB goals are not related to any other goals. Dual certified firms may be used to meet both MBE and SDVOB or WBE and SDVOB goals.
4. The SDVOB firms included are businesses the bidder *seriously expects* to include in the project activity.
5. The Contractor must reasonably commit to the values included in the Utilization Plan for participation by SDVOB subcontractors and suppliers.
6. SDVOB firms must be certified by the New York State Office of General Services Division of Service-Disabled Veterans' Business Development. A directory of NYS Certified Service-Disabled Veteran-Owned Businesses is available on the internet at <http://ogs.ny.gov/Core/SDVOBA.asp>.
7. Contractors utilizing SDVOB firms for supplies/materials/equipment whose NYS certification profile designates them as a Broker will receive an SDVOB utilization credit for the actual monetary value of the broker fees or the actual markup percentage of the items brokered.
8. SDVOB Participation:

The actual services provided by the SDVOB must be essential in the performance of the scope of work for the applicable contract. Utilization of a certified SDVOB as a conduit or pass through for participation credit is strictly prohibited. It is the discretion of the SUNY to determine whether services are essential in the performance of the scope of work and to offer a determination of the appropriateness of work allowed for lower tier subcontracting, in accordance with practices generally accepted in the construction industry. The services the SDVOB will provide must be among those explicitly identified in the profile (codes) of the firm as listed in the NYS Office of General Services Directory of Certified SDVOBs. Firms submitted or firms that participate in the project outside of these conditions and without specific prior approval by SUNY will not be credited toward the SDVOB Utilization Plan and goals for the contract. ☐

9. Prior to submitting the Utilization Plan, the bidders should confirm the following:
  - a. SDVOB firms are NYS certified;
  - b. SDVOB designation ~ Dual certified firms may be used as *MBE/SDVOB and/or WBE/SDVOB*;
  - c. SDVOB firms are being used for item(s) within their certification product codes as indicated in their SDVOB Directory firm profile;
  - d. SDVOB firms will perform work for which they have been submitted; and
  - e. 2nd tier subcontractors and/or suppliers are identified as such and SDVOB Utilization credit shall be given for 60% of the total contract value of supply purchases or services rendered (for example, when an electrical subcontractor purchases from a 3rd party supplier an SDVOB utilization credit will be given for 60% credit of the total contract value).

## **UNIVERSITY-WIDE SDVOB PROGRAM UTILIZATION PLAN**

The prime Contractor is responsible for ensuring participation provided by subcontractors for 2nd and 3rd tier SDVOB participation.

Submission of a Utilization Plan which fails to meet or exceed each goal shall be accompanied by documentation of specific efforts undertaken both pre and post bid. The campus MWBE Program Coordinator will review and notify Contractor of its assessment.

The University-wide MWBE Program Office in collaboration with the campus MWBE Program Coordinator will review the Utilization Plan and notify the Contractor of any deficiencies and determine necessary actions to bring the Utilization Plan into compliance. The University-wide MWBE Program Office reserves the right to require the Contractor to provide sufficient documentation of the efforts made in the development of the Utilization Plan. The documentation should be responsive to good faith efforts and demonstrate the Contractor's commitment to providing opportunities for SDVOB firms in the development of the Utilization Plan.
