Important Information:

- Without special authorization, students taking a Leave of Absence after the established withdrawal deadline will receive E grades.
- An Academic Dismissal will void a Leave of Absence.
- If you receive financial aid, please be aware that certain laws may affect your aid, resulting in a financial liability to SUNY Geneseo. Federal law mandates how a school must compute the amount of federal financial aid a student earns if he/she withdraws (officially or unofficially), takes a leave of absence, drops out of school, or is dismissed prior to completing more than 60% of the semester. Specifically, the amount of federal financial aid that the student earns is based on the percentage of the semester completed. All unearned federal financial aid must be returned, while the semester's expenses may not change. Careful consideration should be given to the financial ramifications of separating from the college prior to completing 60% of the semester. Additional information regarding this policy is available from the Office of Student Accounts (Erwin Hall 103, 585-245-5621), and you are encouraged to consult with them and the Office of Financial Aid (Erwin Hall 104, 585-245-5731) prior to reaching a decision.

I have read the policies pertaining to taking a Leave of Absence and understand those provisions. If I do not return from this Leave of Absence as specified above and am not granted an extension of this Leave, I hereby acknowledge that I will be Administratively Withdrawn from SUNY Geneseo.
