Important Information:

- Without special authorization, students withdrawing after the established withdrawal deadline will receive E grades.
- An Academic Dismissal will void a Withdrawal.
- If you receive financial aid, please be aware that certain laws may affect your aid, resulting in a financial liability to SUNY Geneseo. Federal law mandates how a school must compute the amount of federal financial aid a student earns if he/she withdraws (officially or unofficially), takes a leave of absence, drops out of school, or is dismissed prior to completing more than 60% of the semester. Specifically, the amount of federal financial aid that the student earns is based on the percentage of the semester completed. All unearned federal financial aid must be returned, while the semester's expenses may not change. Careful consideration should be given to the financial ramifications of separating from the college prior to completing 60% of the semester. Additional information regarding this policy is available from the Office of Student Accounts (Erwin Hall 103, 585-245-5621), and you are encouraged to consult with them and the Office of Financial Aid (Erwin Hall 104, 585-245-5731) prior to reaching a decision.

My signature on this form signifies that I intend to permanently withdraw from SUNY Geneseo. I understand that if I plan to resume my studies, I must submit an application for readmission to the Director of Admissions.
