

Rob Garafola
Associate
Frogomen, Del Rey, Bernsen & Loewy

"Studying philosophy taught me how to think critically, issue spot, analyze and resolve problems, and write succinctly. My favorite memory is taking Logic with Professor Edgar. She's an excellent and unforgettable professor. I developed a natural curiosity in philosophy during the course and I decided to major in philosophy because of Professor Edgar."

Class of 2008
PHIL Major
Juris Doctorate
St. John's University
