

State University of New York at Geneseo Facility Use Policy

The mission of the Office of Campus Scheduling and Special Events is to provide professional planning support and information for every event on campus resulting in efficient space management and successful campus events. To accomplish these goals effectively, all requests for space (this includes outdoor areas) must be approved through the Office of Campus Scheduling and Special Events. This single campus clearinghouse for all events will provide knowledgeable support and coordination so that every event will become a successful, positive reflection of the College.

The Office of Campus Scheduling and Special Events administers and enforces the Facility Use Policy. Campus Scheduling and Special Events provides scheduling, physical arrangements, event planning, and facility use coordination with all relevant College support departments including Campus Auxiliary Services, CIT, Facility Services, University Police, College Union and Activities and Intercollegiate Athletics and Recreation.

The College must be reimbursed for all direct costs incurred in facility use. Direct costs are defined as all fees associated with having an event or program in College facilities, or supported by College services. Direct expenses include, but are not limited to, costs incurred as a result of occupancy beyond regular hours, audio-visual requirements, housekeeping, personnel required to service an event, set-ups, special equipment, University Police, Parking Services, HVAC outside the state supported guidelines, and technical support. Each department or organization will be billed accordingly for direct expenses associated with events.

The Office of Campus Scheduling and Special Events is the resource for all procedures for facility use, and questions about compliance with the Facilities Use Policy. Weekly planning meetings are held every Thursday to review upcoming events with representatives from College support departments as outlined above.

To schedule space or for assistance in planning your event on campus contact the Office of Campus Scheduling and Special Events in Erwin 105A or by calling x5500. Visit us online at <http://events.geneseo.edu> for more details and guidelines on planning campus events.
