History of
Psi Omicron Chapter
at SUNY Geneseo

From Colony to Chapter

In December of 2009, the expansion coordinators of Alpha Kappa Psi decided to expand to SUNY Geneseo. Under the leadership of the first executive board and their colony advisor, Adam Bojanowski (an alumni brother of the Delta Tau chapter at Canisius College), the colonists completed the Pledge Education Program (PEP) all together. The first executive board consisted of: Nicholas Pesce – President, Sean Curley - Vice President of Administration, Taylor Castellani - Vice President of Finance, Rachel Sangalang - Vice President of Membership, Warren Niu - Vice President of Alumni Relations, Cara Eichenberger - Historian, and Christine Faisst - Secretary.

Despite numerous troubles that we faced as a new Professional Greek Organization at SUNY Geneseo, the 70 colonists bonded together to push on forward with dedication and perseverance to bring the Psi Omicron Chapter to SUNY Geneseo. The 70 colonists were able to complete the requirements of the pledge education program on time and officially became the Founding Fathers and Alpha Class of Psi Omicron Chapter on May 1, 2010.
