To the members of the SUNY Geneseo Community,

The Geneseo Village Police Department has shared information with us regarding an incident that occurred at an off-campus residence on Court Street. At approximately 1a.m., Wednesday, October 21st, a student at SUNY Geneseo awoke to hear a noise in the basement of the house and discovered a male suspect who stated he "was in the wrong...house" before exiting through the back door. The man was carrying a box cutter but never threatened or pointed it at the resident.

The subject is described as a white or hispanic male, slim build, 5'7", 180 pounds, wearing a black hoodie, gray pants, and wearing a camouflage gaiter mask covering his face. No items were discovered taken from the house and it is believed the suspect entered the residence through an unlocked door..

The Geneseo Village Police ask that any persons who may have information about the identity of the suspect, or information about similar incidents, contact them at [police@geneseo.edu](mailto:police@geneseo.edu) or 585-243-2420.

Members of the community are encouraged to take steps against crime victimization by practicing vigilance—lock your doors, turn exterior lights on, remain aware of your surroundings, and report suspicious persons in a timely manner to the police by calling 911.
