To: allstaff-l@geneseo.edu, studentnews-l <studentnews-l@geneseo.edu>

To the members of the Geneseo Community,

The College is aware of incidents that occurred off-campus and were reported to the Geneseo Village Police. Both incidents involved male subjects being discovered inside a residence after entering through an unlocked door. Both males fled the residence upon being confronted by the occupant(s). At this time, there is no known connection between the two incidents.

If anyone has information regarding similar occurrences off-campus, they are encouraged to report them to the Geneseo Village Police by calling 911. If anyone has information regarding on-campus occurrences, they should contact the University Police at 585-245-5651.

Please know that UPD is working with the Village Police Department and is committed to supporting student safety both on and off campus.

All community members are encouraged to make sure they are taking steps to maximize their safety including:

- Securing doors and windows at night, leaving exterior lights on, and promptly reporting any suspicious activity to the police.
- Off-campus students should address any safety issues with their landlords immediately, such as the inability to properly secure windows and doors.

We realize that any incidents such as these are fear and anxiety producing. Please remember that resources outside of UPD--such as Health and Counseling--are available, and can assist students who are feeling vulnerable or who are in need of additional support.
