Wishing You a Safe and Happy Thanksgiving!

Before the holiday break, we want to take a moment to wish a Safe and Happy Thanksgiving to you and your loved ones! Please take a moment to view our [holiday hours](#) of operations. We would like to reiterate that we are grateful to those who have taken the time to share [feedback](#) with us.

Happenings at Mary Jemison (MJ)

It's never too early to be thankful, so this week at MJ's Grill we were happy to serve up a special Thanksgiving waffle with a choice of a cornbread or a plain waffle topped with roasted turkey, mashed potatoes and turkey gravy or a cranberry maple syrup. We also paid tribute to Mickey Mouse's 92nd Birthday with some Mickey Mouse Ice Cream Sandwiches.

If you haven't already, before you leave, don't forget to try our noodle/broth bowls at Lotus. These are gluten-friendly, dairy-free and customizable with your choice of protein (including vegan/vegetarian options) and fresh veggies. For other customizable options, check out Asada. Build your own burrito, bowl, or nachos at this station. Vegan protein and cheese options are also available.

After break, you can look forward to our new Coco Nog smoothie at Mary's, made with coconut milk, banana, vanilla yogurt, nutmeg, cinnamon and pancake syrup with whipped topping.

Happenings Red Jacket (RJ)

As promised, at RJ we added more options to our late night offerings. Choose from a turkey club, salami, ham and swiss, veggie, or chicken caesar wrap available at the salad counter. You'll find more greens, vegan proteins (hummus, tofu, falafel), and vegan cheese and dressings at the salad bar.

We kicked off another early Thanksgiving with a full spread, including roast turkey with homemade turkey gravy, mashed potatoes, cornbread stuffing, cranberry sauce, green bean casserole, and candied yams. We had an awesome turnout with over 760 attendees!

Next week you can try our delicious meatloaf lunch special before heading home for the holiday. It's served with loaded mashed potatoes and buttery, garlic green beans! We hope you don't fill up too much over the break because when you get back we have a chef's seafood dinner special prepared at RJ on Tuesday, November 30—hope to see you there!

Campus Catering at Dorm Rooms Through the Decades

We hope you had a chance to travel through the ages at [Dorm Rooms Through the Decades](#) gallery opening for the Tom Matthews Collection this week. The event was presented by the students of MUSC 100: Making Music History at SUNY Geneseo. The theme showcased musical posters throughout various decades in a residence hall setting for each period. CAS catered the event with treats inspired by those decades, including a cheese log spread (70s), veggie platter (80s), Hot Pockets (90s), Cupcakes (2000s), and chocolate drizzled bacon (2010s). If you missed the event, the gallery will be open later in the semester (TBD).

Online Menu

As we mentioned last week, our [online menu](#) has been undergoing some improvements to add greater visibility to our vegan/vegetarian menus and items that meet special dietary needs. Many more of these items are called out and there is a filter and search capability to help find these items.

We are still missing hundreds of utensils, cups, and other service items. Please help us in our efforts to be sustainable by returning these items on your next visit.

Unfortunately there will still be times where we are required to make substitutions to menus due to regional and national shortages, or delays in shipment. Please check our [online menus](#) for current offerings.
