Your feedback continues to be helpful as we make adjustments to our menus and services. We appreciate those willing to reach out. Let us know your thoughts in our new [feedback form](#) and we will continue to communicate the changes being made. Thank you to all who provided feedback.

Are you seeking Vegan/Vegetarian Options

You can find [vegan and vegetarian](#) options at most stations marked as "VT" or "VG" using our [allergen symbols](#). We also have healthy, allergen-free, and vegan/vegetarian stations.

At MJ, Lotus is our dedicated [gluten-friendly](#) and dairy-free station with vegan and vegetarian proteins. We offer pre-packaged Clean Eats (allergen-free) meals in our dedicated cooler along with Kosher meals in lower MJ. Asada has a build-your-own burrito/nacho option with vegan/vegetarian proteins, like our seasoned tempeh and vegan cheese. Both the Deli and Salad bar have build-your-own salad options with vegan/vegetarian proteins available.

At RJ, there is a Clean Eats (allergen-free) station, and our [vegan station called Roots](#). Pre-packaged Kosher meals are available in the cooler by request. Our team is working to enhance our search feature so that more of these allergen-free and build-your-own options appear in our online menu.

Updates at Mary Jemison (MJ)

We received customer feedback about adding a breakfast on Sundays, so starting this Sunday and going forward, we are adding a continental breakfast at MJ from 9:00 am - 11:00 am.

This week our seasonal pumpkin pie smoothie became available at Mary's. It's here all month, so come try it!

Our sub roll is back at Mary's Deli! Starting next week at the Deli, we are serving our BBQ pulled pork sub special with cheddar cheese and crispy onions. It's available all week.

Updates at Red Jacket (RJ)

Coming soon, we are making some updates to our late night menu offerings. Starting on Monday, we are extending our dinner hours at RJ to 9:00 pm. This means that our Clean Eats and Roots stations will be open later. A list of the meal periods can be viewed on our [operations](#) page. It specifies which stations are available during standard meal periods (breakfast, lunch, dinner) vs. mid-meals.

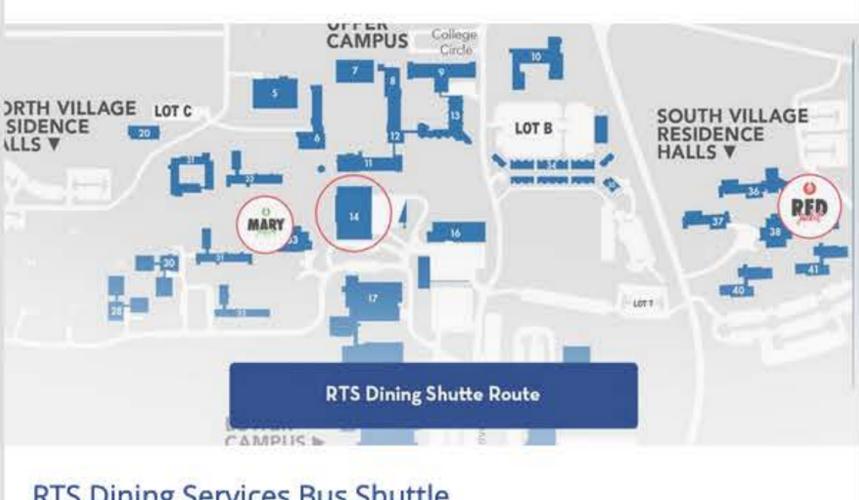

This week was our second Chef's Lottery dinner. Students enjoyed a multi-course meal prepared by our sushi chef, Chris Mejia. There will be a third drawing, so visit Red Jacket and enter your name and email at the register for a chance to win! The dinner will take place on Tuesday, December 7.

Next week we celebrate our Veterans with a special meal chosen and prepared by one of our own veteran cooks, Frank Craig. The recipe is straight from the Armed Forces cook book. Visit American Grill from 5:00 pm - 8:00 pm to try our baked chicken and noodles.

Reminders

Unlimited dining allows all student types a flexible dining experience, however, please note that a meal plan is only for the individual who participates in the plan.

If you experience an issue with your food while you are still in one of the dining halls, please let one of the chefs/managers know. We will be happy to provide a new serving.

Unfortunately there will still be times where we are required to make substitutions to menus due to regional and national shortages, or delays in shipment. Please check our [online menus](#) for current offerings.
