

September 9, 2022

Welcome Back!

We hope that your semester is off to a great start! This is our monthly update to CAS-provided services. We have been working diligently on recruiting this summer and we have made dozens of new hires. We are still seeking more student employees, which will allow us to expand our services, hours, and offerings. Learn more below.

We are excited about our new services this semester...

Kishido "The Way of the Knight"

This semester we opened our new sushi bar, Kishido, located in lower Letchworth. Kishido is available weekdays, 11am-3pm to serve our Geneseo Knights a variety of delicious, made-to-order or grab-and-go sushi and Japanese cuisine. We accept Retail Dollars, Campus Cash, Cash or Credit Cards.

Squire Express—True Blue Delivery

We are re-establishing our delivery service to upper east campus, starting with lunch delivery from 11am-2:30pm to the ISC building and adding additional stops through the year. Freshly-made salads, sandwiches, wraps, snacks, sushi, and Japanese cuisine are available for delivery through our mobile ordering app.

1871 Market

Located next to the Fraser Hall Library, are new smart vending options with locally-made salads, sandwiches, and wraps, along with a variety of cold beverages. We also have a new bean-to-cup hot coffee or cocoa brewing machine that uses a variety of Starbucks coffee blends. The hours are the same as the building hours which extend to 11pm Monday-Thursday.

New at Mary's Smoothies

Located in upper Mary Jemison, Mary's Smoothies has added a made-to-order Acai Bowl. It's more than just a tasty berry that is harvested by hand from the rainforest's of the Amazon. It contains antioxidants that help keep your defenses high. Acai is loaded with healthy Omegas 3, 6, 9, which are the good fats for your brain and body. Try one today!

Other Things to Note...

Did you know that you can find vegan and vegetarian options at most stations. These items will be marked as "VT" or "VG" using our allergen symbols. We also have healthy, allergen-free, and vegan/vegetarian stations (Roots at RJ, Arugula at Letchworth). You can search for items and filter by allergens on our online menu.

We have a dedicated gluten-friendly and dairy-free station with vegan and vegetarian proteins at Mary Jemison. Asada has a build-your-own burrito/nacho option with vegan/vegetarian proteins, like our vegan chorizo and veggie cheese. Both the Deli and Salad bar have build-your-own salad options with vegan/vegetarian proteins available.

All locations offer pre-packaged Clean Eats (allergen-free) meals and Kosher meals in our dedicated coolers. Please ask a server for assistance.

Now Hiring! Join Our Team

We are recruiting delivery drivers, cooks, dishwashers, food production workers, and more. Flexible hours and shifts, on-campus locations, and student scholarships are just a few of the benefits we offer.

Reminders

Unlimited dining allows all participating students a flexible dining experience. This is intended for the individual's use. Six guest meal passes are included each semester. Retail dollars are available for our retail locations (Starbucks, Mary's, Market North, and Vending). Funds can be added to your account at any time online.

Unfortunately there will still be times where we are required to make substitutions to menus due to regional and national shortages, or delays in shipment. Please check our online menus for current offerings.

If you applied for a textbook grant. You will be notified by September 16.

Feedback Form

Questions, concerns, recommendations, or any other feedback is welcome. Complete our online feedback form or Contact us and our team will work with you.
