Dear Mrs. Wadsworth:

I want to acknowledge the splendid contribution of $500 which the Geneseo Community Players are making to Holland Flood Relief. It was most thoughtful of you and your committee to turn the proceeds of your performances this year over to this worthwhile cause. Will you please express the thanks of the people of Holland to your committee and to all the people who contributed. I can assure you that this gesture of international goodwill is highly appreciated.

Very truly yours,
