

Assigned: Monday, August 28, 2006

Due: Wednesday, August 30, 2006

Submission: Pogo's inbox only

Filename: aging####.doc

Format: Word document, 10 point times roman font, double spaced.

Requirements: Write a single thesis **sentence** on this topic: *Aging*.

The hard part is to convert this *topic* into a *thesis* of your choosing. Remember, a thesis is something that you will be arguing for (or against). Arguing *for* something is very different than arguing *about* something.
